Reading resolutions

Every January, many Christians resolve to read the entire Bible in one year. That's a worthy goal, but God doesn't require us to read a certain number of verses or chapters per day. Instead, he tells us to simply be in his Word — and thus be with him — so he can grow our faith, light our path and assure us of his love and forgiveness. God's Word is a precious gift, but we need to "unwrap" it!

F.B. Meyer offers this helpful advice for a new year of discovering (and rediscovering!) Scripture: "Read the Bible, not as a newspaper, but as a home letter. If a cluster of heavenly fruit hangs within reach, gather it. If a promise lies upon the page as a blank check, cash it. If a prayer is recorded, appropriate it and launch it as a feathered arrow from the bow of your desire. If an example of holiness gleams before you, ask God to do as much for you. If the truth is revealed ... entreat that its brilliance may ever irradiate ... your life."
