Above and Beyond

When 20-year-old Hunter Shamatt lost his wallet while traveling to a wedding last fall, he assumed its contents — including \$60 in cash — were gone forever. But not only did someone return the wallet and everything inside it; the good Samaritan also *added* money. “I rounded your cash up to an even \$100 so you can celebrate getting your wallet back,” read a note signed with the initials TB.

Hunter’s mom, who posted a photo of the note on Facebook, said her faith in humanity was restored. The world’s “not as grim as it’s being made out to be,” Jeannie Shamatt wrote.

Like the good Samaritan in Luke 10:25-37, “TB” — who turned out to be Todd Brown of Omaha — went above and beyond in expressing kindness to a stranger. May we do likewise, bandaging one another’s wounds, providing comfort, sacrificing our resources and showing mercy, all in Jesus’ name.

People of Light

On Memorial Day, it is important to pause in gratitude to all those upon whose shoulders we stand. We should remember with great appreciation those who died making helpful, positive contributions — whether large or small — throughout human history. As Christians we should be especially grateful to those whose faith, service and love have enabled us to know the Gospel and its vast implications for the entire earth.

Without our Christian teachers, pastors, missionaries and the ordinary servants of Christ, we would not have the Good News which is like a great light shining in the world’s darkness. They have made sure Christ’s precious Light has not gone out or been diminished.

Memorial Day is a day for us to think about the people of the Light and to express to God our appreciation for them.
