- ♦ Please memorize Luther's Explanation of Baptism:

How can water do such great things?

It is not water that does these things, but God's word with the water and our trust in this Word. Water by itself is only water, but with the word of God it is life-giving water which by grace gives the new birth through the Holy Spirit.

St. Paul writes in Titus 3

“He saved us . . . in virtue of His own mercy, by the washing of regeneration and renewal in the Holy Spirit, which He poured out upon us richly through Jesus Christ our Savior, so that we might be justified by His grace and become heirs in hope of eternal life. The saying is sure.”

- ♦ Write a cheer to celebrate God's gift of Baptism!
