THE LORD'S SUPPER is the way Jesus Christ, the bread of life, gives us his flesh and blood to eat and drink. Through this Sacrament, Jesus forgives our sins, gives us victory over death and Satan, and delivers his eternal salvation to us. In accordance with Jesus' teachings, we practice *closed communion*. We therefore ask our guests who wish to commune to speak with the pastor before the service.

LIVE STREAMING—is now available in the social hall and in room #7.

FOR YOUR INFORMATION—If you are hospitalized, please be sure to update your admittance records indicating your religious preference and if you would like the hospital to call St. Martin.
