

Helpful hints on streaming our worship service

Our worship service is pre-recorded and will be available by 7:00 pm each Sunday evening. It is our hope that you can join us at that time each week so that we can truly say that we are worshipping together as one community of faith.

When you press your mouse button over the <CLICK> symbol, you will immediately start the worship service video. The screen will look something like this:

To view the worship service using your full screen, move your mouse over the video and you will see a row of symbols on the bottom. Click on the "Full Screen" ICON in the lower right corner of the video. You will now be viewing in full screen

Move your mouse over the picture and you will again see symbols on the bottom.

To pause the video
(or restart)

To adjust the volume

To exit full screen
