COVID-19 Building Policy Updated By Church Council 6-21-2021

Based on guidance from the CDC, wearing of masks in the church building will be optional for those who have been vaccinated. However, CDC recommends, and your Congregational Council expects, that unvaccinated individuals, including children, should continue to wear masks when indoors for your own well-being and the well-being of other unvaccinated persons.

If you wake up feeling ill, we ask that you please not attend. Obviously, if you develop symptoms of Covid-19 after having attended worship please notify us AS SOON AS POSSIBLE. If you do receive a positive result we ask you to notify either of the pastors ASAP so that we can begin contact tracing efforts and make decisions accordingly.
