## “A Summer of Peace”

“Therefore, since we have been justified by faith, we have peace with God through our Lord Jesus Christ (Romans 5:1, ESV).”

School's out for the summer. It's time for farming. It's time for the pool. It's time for gardening. It's time for vacations. It's time for work. It's also a time for peace. I don't write of a calming sort of peace, or a cease to the war in Eastern Europe. I write of the spiritual peace the faithful in Christ have with God. Christ's righteousness precedes this peace. The peace that we have, he has given us because we stand in God's grace through faith in Jesus. For it is Christ's righteousness which covers our sin. Call it SonScreen, if you must have a catchy phrase. Christ's righteousness blocks us from God's wrath, covering us with his love. So when the glory of the Father shines upon us, we do not die—but live eternally.

It has been a particularly glorious time at St. Paul in recent months. Despite challenges with our historic building, thousands of people have come through the doors to receive the gifts of God from pulpit, altar, and font. Thousands more have heard the word through the West Point Circuit of the LCMS by our continued relationship with KTIC radio. Word and Sacrament, the means of his grace are how we have peace. This is the mechanism of how we know God and grow in faith. So be covered in SonScreen this summer. Come to church on Sunday or Wednesday or both.

Have a peaceful summer,

Pastor.

# Mission-of-the-Month Project June 2023 Project: Direct Support Orphan Grain Train Service Center.

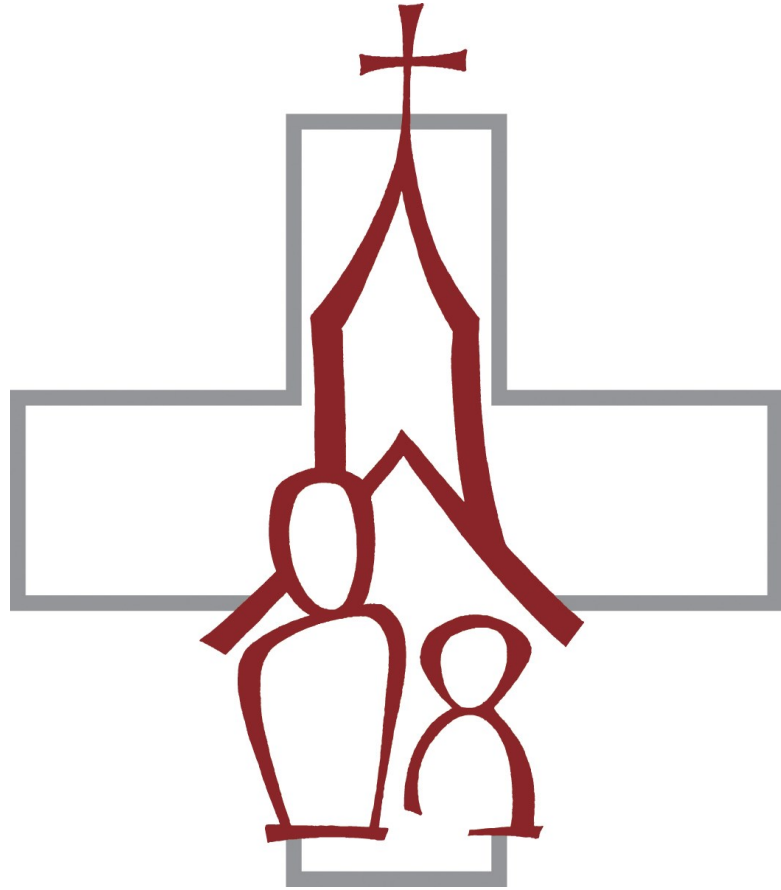

Orphan Grain Train continues its capital campaign for the future Servant Center in Norfolk, NE. This center will not only better serve the Norfolk warehouse receiving, storage and shipping needs but will also house Mercy Meals – The Food That Endures. Their new and improved portion of the servant center will allow for bigger packing events and millions more meals to be produced and shipped by OGT to fight malnutrition and starvation worldwide. The new Servant Center will cost approximately \$3.7 million. This will be the largest fiscal challenge in our history. And yet, it pales in comparison when we see that Orphan Grain Train now delivers nearly \$50,000,000 worth of aid annually. So far Orphan Grain Train has been blessed with \$1.3 million pledged for the new Servant Center. We ask you to hear the cry of orphans and answer with a sacrificial gift that will make all of this possible. Orphan Grain Train is known for operating at minimal cost. Less than two percent of what is donated is used for administrative and fundraising purposes, a record few charities can match. The new Servant Center will cost approximately \$7 Million. This will be the largest fiscal challenge in our history. And yet, it pales in comparison when we see that Orphan Grain Train delivers almost \$50 Million worth of aid annually. We believe the new Servant Center will enable OGT to increase the amount of goods given to \$75-\$100 Million annually.

We ask you to hear the cry of orphans and join us as we pray for the Lord's guidance in expanding His ministry.
