Our Beliefs:

We accept and believe in the Holy Bible as the complete written Word of God, preserved to us by the Holy Spirit for our salvation and instruction.

We endorse the statement on the Word as found in the United Testimony on Faith and Life and would quote here the following: "We bear witness that the Bible is our only authentic and infallible source of God's revelation to us and all men, and that it is the only inerrant and completely adequate source and norm of Christian doctrine and life. We hold that the Bible, as a whole and in all its parts, is the Word of God under all circumstances regardless of man's attitude toward it."

Do you believe in the Holy Bible to be the only authentic, inspired and infallible Word of God, our final authority in all matters of faith, truth and conduct?
