Connecting the Dots . . . (after sermon discussion)

1. What does it mean to be unified? How are Christians unified? How are Christians unified in faith? How are Christians unified? How are Christians unified in faith?
2. What happened on Pentecost that is important today and every day? What does Pentecost have to do with Christians being unified in faith?
3. What does being devoted in faith have to do with us being unified in faith? In other words, how does the church remain unified even as each person is coming from different perspectives and influences?
4. What are the forces that contribute to Christian people separating from one another? Why is this so easy and common? Why is it harder to stay unified?
5. How do Christians take the Holy Spirit for granted? Why is it important to not overlook or misunderstand the Holy Spirit?
