What You Heard *In the Word*

- God called Moses to tell Pharaoh to free the Israelites from slavery.
- Moses almost let his fears keep him from obeying God.

Ask your child these questions from today's lesson:

1. What did God use to get Moses' attention? *A burning bush that didn't burn up.*
2. What did God want Moses to do? *Tell Pharaoh to let the Israelites go.*
3. What signs did God give to Moses so the people would believe? *The staff turned into a snake; Moses got leprosy on his hand then it was healed; water turned into blood.*

Memory Verse

And God spoke all these words, saying, "I am the LORD your God, who brought you out of the land of Egypt, out of the house of slavery. You shall have no other gods before me."

Exodus 20:1-3

Justin & Jessie

"All right, class," announced Mrs. Bentley, Justin and Jessie's schoolteacher, "we have to get ready for parents' night. Justin, it's your turn to practice now."

Justin stared at his teacher. His stomach felt like it was doing flip-flops as he opened his mouth to say his part.

Will Justin remember what he's supposed to say?
Will God help him do what he has to do?
