## Nehemiah 6

### Connecting the Dots . . . (after sermon discussion)

1. What was the hardest project you have been involved in so far in your life? What made it hard?
2. When you have faced obstacles and difficulty in life, what has been the most discouraging for you, your own physical limitations, financial set-backs, or conflicts with other people? Why was it the hardest?
3. When you have finished something, what have you discovered about yourself and about “finishing” that has taught you about the need to keep working hard even after you have “finished”? How is retirement like this? How is pregnancy like this? How is getting a new job like this? How is pay-day like this?

### Digging Deeper Together (for further study during the week)

1. As we look at Nehemiah building the walls and facing ongoing opposition, how does this relate to the building of Christian faith in your life, your family, our church, and even our community? (Nehemiah 6:1-4, Ephesians 2:13-16)
2. How do you see this world sending you messages daily that are trying to do you and your faith harm? What can you learn from Nehemiah’s response that can encourage you as you daily deal with harmful messages? (Nehemiah 6:5-9, 1 John 5:4-5)
3. What are the ingredients to building that you hold on to on a daily basis? (Nehemiah 6:15-16, Matthew 16:16-18)
