### On the Job Training Ephesians 1:3-7

#### Connecting the Dots . . . (after sermon discussion)

1. What part of your life do you struggle to maintain, keep clean, or in working order?
2. Is there something in your life that you recognize that helps you to focus on yourself more than on God and what He wants you to do?
3. How has God helped you in the past? How does remembering God's grace help you to focus on Him today?

#### Digging Deeper Together (further study during the week)

1. How have you and how are you allowing God's grace to help you? Take time to list all the ways God has and continues to help you to stand in His grace in Christ and allow Ephesians 1 provide a blueprint.
2. What is the "trade" of the Christian faith and why do we use the tools of the trade in our daily life? What does the "purpose of God's will" have to do with your life today? Ephesians 1:2, 5-6, 11-12
3. Are you content in Christ enough to allow the "riches of God's grace" to be more important to you than the news headlines, the money in your pocket, or the sinful desires of your heart and mind? Ephesians 1:7, Romans 12:1-2, 2 Corinthians 10:4-6
