

Attention Worshipers: Our services are live-streamed. This includes both video and ambient audio prior to and during the service.

The Mission and Ministry Statement for St. Paul's: We, the members of St. Paul's Lutheran Church, in gratitude to The Triune God for His love for us in Jesus Christ, dedicate ourselves as individuals and as a congregation to learning, teaching and sharing God's Word, caring for others, and living in God's grace through Word and Sacrament.

To our visitors: In the name of our Lord Jesus Christ, we welcome you to our church with God's richest blessings. We invite you to make St. Paul's your new church home. If you are interested in church membership, or have questions, please contact Pastor Burns.

Children and the Divine Service: Thank you for bringing your children with you to church. The Scriptures tenderly tell of Jesus' love for little children. Jesus wants your children in His Company, to hear His Word and receive His gifts given to all in the Divine Liturgy. If you feel your child would benefit by leaving the worship service for a short period of time, you are welcome to use the Narthex. There is a speaker and chairs so you may continue to hear and participate in the worship service. If you need any assistance, please let us know how we can help.

The Holy Communion: The Lord's Supper reflects our unity of faith and doctrine. Therefore, we assume that all those attending Holy Communion with us are members of a congregation of the Lutheran Church—Missouri Synod. In love and concern, we ask that all others speak with the pastor before communing.

As We Gather: Please be respectful of those who are in the pews preparing their hearts and minds for worship.

As you prepare for worship, you may pray the following prayer:

O Lord, my creator, redeemer, and comforter; as I come to worship You in spirit and in truth, I humbly pray that You would open my heart to the preaching of Your Word so that I may repent of my sins, believe in Jesus Christ as my only Savior, and grow in grace and holiness. Hear me for the sake of His name. Amen.

Hebrews 3:18-19 – “And to whom did he swear that they would not enter his rest, but to those who were disobedient? So we see that they were unable to enter because of unbelief.” Unbelief leads to disobedience – that is, every sin expresses the opposite of faith. True and living faith guides us into the Lord’s way and the Lord’s plan. And when we fall into sin it’s because we are not trusting the Lord’s goodness and provision.

Christ Jesus Is the One and Only Good by Whom You Inherit Eternal Life

The Lord is the Author and Giver of life, as well as a consuming fire of judgment against all “who afflict the righteous, who take a bribe, and turn aside the needy in the gate” (Amos 5:12). “Seek the LORD and live,” therefore, by hating what is evil, loving what is good and doing what is just and right, according to His Word. “And so the LORD, the God of hosts, will be with you” (Amos 5:6, 14–15). Understand that “no one is good except God alone” (Mark 10:18). The life that you are called to live is found neither in your “great possessions,” nor in your good works, but only in Christ Jesus. Let go of “all that you have” and follow Him, even unto death, and “you will have treasure in heaven” (Mark 10:21–22). Do not harden your heart against His voice, nor turn away from Him, lest you “fall away from the living God.” Rather, hear and heed His call, cling to His Word, and “exhort one another every day,” that you may remain steadfast in Christ and “firm to the end” (Heb. 3:12–15).

Perspectives: Science, Religion and Meaning. Sunday October 24th 12:30-3:30pm at Glory of Christ.

Dr. Angus Menuge from Concordia Mequon will be speaking on Scientism, an ideology masquerading as science. We often hear today that a claim must be believed because it's science. The assumption is that anything calling itself "science" has infallible authority. While good scientists are aware of the tentative and fallible nature of their models and predictions, many in our culture try to make science into a religion known as scientism. According to scientism, materialistic science is the only or best way to really know something, while moral and religious claims are just feelings or opinions. This exaggerates the authority of science and denigrates other ways of knowing. In reality, scientism is not science but rather a self-defeating philosophy. Science depends on non-scientific assumptions, and the validity of these assumptions is best supported by Christian theology. That theology shows how science is possible and why it is valuable, and it restores meaning and dignity to all of human life. Christianity, not scientism, is the best friend of science.

Science, Religion & Meaning

Understanding scientism: its effects on the church and society

Join us for a FREE Presentation
Sunday, October 24, 2021, 12:30 – 3:30 PM

*All materials provided -
light refreshments served*

This Seminar is especially suited for:

- Students, faculty and clergy interested in science and religion
- Anyone concerned that "science" has been hijacked by ideology
- Those searching for meaning in a world declared meaningless

What you will learn:

- Why scientism is a mistaken and dangerous ideology
- How scientism encourages the idea that life is meaningless
- Why science depends on theological assumptions

DID YOU KNOW?

The foundations of the scientific method are not scientific.

Many great scientists were motivated by theological convictions.

Christianity provides the moral guidance science needs.
