You have made known to me the path of life. Psalm 16:11

Over the summer where has the path you are walking taken you?

Where have you seen God's goodness?

Have you seen the goodness of God at the camp ground, on a hike, in your garden, amongst the trees, on road trips, at a beach, while walking down the road or at dusk as the stars begin to appear?

How is it that you find that calm place for you to have a moment to listen to God? Through I am a professional extrovert; I need moments of quiet and stillness. My favorite days are the ones in which I can spend hours going about tasks being silent. This is not easily obtained in a home where my loved ones love noise! If I am home, then the house is quiet. If the family is home, the television is on, radio chattering, electronic toys beeping, and everyone talking over it all. The first thing I do when I get home is to turn down the volume.

I write this to you as I prepare to step out onto the beach in Duluth, hunt for agates with my kids, and marvel at the ships coming into the port. Thank you to our Leadership Team, Church Council, Pastor Gene, Pastor John and Dane for helping me to block my vacation time so my family and I can be away.

The path we are walking together as church is solid, joyful, substantive and good. It is my honor to serve you.

With a grateful heart,
Pastor Dana

THE BRAD BOICE AS "ELVIS" STORY

From Church Choir to High School Choir, from High School Band as a tuba player to eight years as the lead singer for the popular rock band "Gemini", Brads' life has always been filled with music.

Brad Boice started his Elvis Tribute in 2005 almost by mistake. He was attending a Musical Impersonator Show with his wife JulAnn and friends. After watching the two "Elvis" Impersonators perform that night, one of his friends said "Brad, you can sing Elvis better than that!!", and left to talk to the band. Within moments, Brad was on stage singing "Can't Help Falling in Love". Since that night, he has entertained thousands of people in many different venues around the United States.

Brad has been a featured performer on the Royal Caribbean Cruise Ship "Independence of the Seas" for the annual Elvis Birthday Bash. He also performed two shows, to standing room only crowds, at the Hard Rock Cafe` in Cozumel, Mexico during that cruise.

In January 2010, Brad returned to the Cruise ship to perform for the 75th Anniversary of Elvis' Birthday Bash!! In 2012, Brad joined the 2nd Annual Elvis Entertainers Network Cruise for a full week of fun in the sun and lots and lots of Elvis.

Brad also donates his time and talent to help raise funds for non-profit organizations. Some of the charities he has worked with include: Booker Mini Foundation, Channel One Food Shelves, Camp Winnebago, Eagles Cancer Telethon, Children's Miracle Network and Young Life.

THANK YOU!

Dear St. Paul's,
Thank you very much for your donation of \$333.60 to the Red Wing Area Food Shelf. With assistance from people like you, we can continue to meet the temporary hunger needs of families in our area.

Sincerely,
Brenda Blahnik, Food Shelf

Dear Pastor Dana and St. Paul's members,

During the historic outbreak of cold in many, many years, a homeless man came to Hope's Housing Advocate, Jo Ann, for help. In tears, he explained that he couldn't spend another night outside in temps that plunged far below zero. Jo Ann arranged for overnight housing and a ride to the shelter in Rochester where he was housed and fed. He was incredibly grateful, "God Bless JoAnn and all the people who donate to your programs." You are one of those people. Thank you!!

With warm regards,

Kris Kvols, Executive Director
