*A Note From The
Pastor...*

Greetings to you in the name of our Lord and Savior Jesus Christ:

Regularly, I hear from people wondering how we can share Jesus' love with people in our world today. Our world and culture seem chaotic, opposed to Jesus and the Church. What can we do? We are still called to witness to people in regard to the love and grace and hope of Jesus.

This year, in our Sunday Adult Bible Study, we are going to focus on being equipped to share Jesus with others. We will focus on two specific groups. The first group is the people who are in the LGBTQ+ lifestyle. I know it can be frustrating, especially during Pride Month in June, to have it displayed non-stop. While we can definitely have righteous anger over this sinful lifestyle, we still need to remember that these are people who need Jesus. They are people who need to repent and trust Jesus to be the Lord and Savior of their lives. If we don't witness to them, who will? This series will respectfully equip us with tools to witness lovingly to people in this lifestyle.

The other group we will focus on is the "nones". These are people who have no religious affiliation. This is the fastest growing category of religious affiliation. How do we witness to people who have never been introduced to Jesus & the Bible, along with those who have walked away from the church and now consider themselves, "None".

If God's kingdom is going to grow, we need to be witnessing in our community, our social groups, our workplaces, our family, and other places where we come into contact with people. We invite you to come get equipped to witness for Jesus.

In Jesus – the Healer of the hurting,
Pastor Brian

What Makes for a Cheerful Giver?

Define Your Life by How You Give

Winston Churchill reportedly said that "we make a living by what we get, but we make a life by what we give."

According to Churchill, our lives are defined not by what we have gotten, but by what we give away.

Our Lord's life is defined in this way. He gave completely of Himself for us. He became man for us. He taught the truth of God's Word. He healed those with many and various diseases. He died the death that we deserved for our sins. He gave of Himself in order to save us from sin, death and hell. And so it is that by giving completely of Himself, He got for Himself us.

As it was for Jesus, so it also is for us. We get more from giving than we do from simply getting. For giving softens our hearts and frees us from the grip which the worries of this world and making a living has on us. For when we are singularly focused on making a living, we are singularly focused on what we get. That mindset begins to bleed into all areas of our lives — our relationships with friends and family, with neighbors and coworkers, and with the Lord. It shifts our focus from asking the question, "How can I be a friend, family member, neighbor and servant to others," to asking the question, "What have they done for me lately?" We become more selfish instead of selfless.

But when we give, we do not have less, we do not become less; rather, we have more and become more. When we give, we join in the bond of friendship and family, the bond of service to those around us out of love for them. And love is the fulfillment of the Law. It is the nature of God Himself, for God is Love. Thus, we are participating in divine nature. As Jesus said, "It is more blessed to give than to receive" (Acts 20:35).

"Stepping Up, Stepping Out: Courageous Action for Kingdom Purpose" By Jordan Gash

The Lord calls us to be strong and courageous in our life as His followers. It's as true for us as it was for Joshua, who was responsible for leading the Israelites into a land promised to them but filled with enemies and obstacles. As we go through this series, we will explore how God prepares and empowers those who are willing to be courageous to step up to God's calling and step out in faith to overcome the obstacles that try to hinder them from God's Kingdom purposes.

From the Principal's Desk

September 2023

The 2023-24 school year is off to a great start at Deshler Lutheran School! We are excited to announce that DLS currently has 58 students enrolled for our 135th year of providing Christ-center education. We praise God for each of our students, families, staff members, volunteers, and especially for His faithful support and provision through all the years! Please, continue to join us in praying that the Holy Spirit would work in mighty ways in the lives of all our students, families, and staff in the year ahead.

We look forward to an exciting month of September as each classroom dives into the truth of God's Word and all of our academic subjects. In addition, there will be several other special events this month. Mrs. McCown's 3-4 classroom will be traveling to Ag Venture Days in Geneva on September 11. Mrs. Voss's 5-6 class will be heading to Liberty Cove for a Water Jamboree on September 20. The 7-8 class heading to Superior to the vineyard to harvest grapes early in the month. MAP Testing will be completed. Junior high fall athletics will begin and towards the end of the month work will commence on the 5-8 grade fall musical.

We would like to invite you to participate in four upcoming events this month. There will be a Friends of School (FOS) Dinner Auction Meeting on September 6 at 5:30 in the DLS Gym. The Auction is a major event that requires many volunteers. Please prayerfully consider getting involved. On September 12 Mrs. Voss's 5-6 students will be hosting a Blood Drive at DLS. Please consider signing up to give the gift of life-saving blood and support this educational student servant event. We invite you to join us for chapel all throughout the year on Thursdays at 10:00 AM at St. Peter. We'd like to send you a special invitation to join us on September 21 for the 7-8 grade classroom chapel! On September 27, the community is invited to join DPS & DLS students at the fairground flagpole for "See You at the Pole" from 7:55-8:10 AM as we praise the Lord and seek Him in prayer.

A quick review of last month confirms that August was a very busy month at DLS. Our staff held back-to-school meetings on August 7 and 8. The next day DLS was a busy participant at the Thayer County Fair. DLS students Dean Baden, Barrett Harms, Rigley McDonald, Dillon Schardt, Phinn Harms, & Braden Johnson rode on the DLS float for the parade. Following the parade, 250 plus people stopped by the DLS Fair Booth to enjoy some FREE homemade ice cream. Our teaching staff enjoyed visiting with people throughout the fair at the booth. On Sunday, August 13, all our teachers worshipped at Trinity-Friedensau as

part of Teacher Rededication for the new school year. Monday, August 14, was Back-to-School Night at DLS. Thank you to everyone that joined us for our open house and hamburger meal. Again, we praise God for all the men (St. Peter Men's Bible Study & Trinity-Friedensau LLL Men) that helped grill, serve, and clean-up the meal at Back-to-School night. We greatly appreciate everyone that helped out! We would also like to thank the Thayer County Livestock Feeders for providing all the hamburgers for our meal. Many thanks to the Feeders for their generosity!!

In our theme verse for the 23-24 school year, we hear Jesus share these words, "I am the vine; you are the branches. If a man remains in Me and I in him, he will bear much fruit; apart from me you can do nothing." It is our prayer that DLS will bear much fruit—fruit that will last—this school year as we all grow closely "Connected in Christ!"

In Christ,

Todd Voss
DLS Principal

Kindergarten

What a great, exciting, creative time we're having in Kindergarten already! So much fun meeting new friends and making new memories. Mrs. Schardt, our School Nurse, came to share about good hand-washing skills!

We're excited to grow and learn together in Jesus!

Love, Mrs. Reinke and our Kindergarten friends, Bryndal, Kora, and Casen.

1st and 2nd Grade.

My students were so excited to kick off this new school year! I saw many of

them at the Thayer County Fair and they were all ready to go back. We added a couple new students to our 2nd grade class and are excited for our new 1st graders! We pray for a safe and productive year and are SO thankful we get to learn and grow at Deshler Lutheran!

Welcome to the 3rd and 4th grade classroom! Our year has gotten off to a great start! We have 15 kids total with 5 in 3rd grade and 10 in 4th grade. We've been getting to know each other and learning how much God loves us and makes each of us special. We're also talking about tall tales and exaggerations. Hearing what some of the kids come up with for those is very interesting! Thank you again for supporting our school! God bless!

In Christ,

Rachel McCown, 3&4 teacher

5th and 6th Grade.

Hello to all from the 5th & 6th Grade classroom at DLS!

We are off to a great start! I will say again, what a blessing it is to get to teach in a Christian school! Starting off the year by worshipping together in chapel is such a wonderful thing!!

During the month of September our classroom will be hosting the American Red Cross Blood Drive on Tuesday, September 12th. If you are so inclined, you can give me a call to sign up for a donation time! 😊

We will also be attending our first field trip on the 20th. We will be attending the Water Jamboree at Liberty Cove (near Lawrence). This event is always fun and is hosted by the Little Blue NRD.

Blessings to all! Thank you for your support of Deshler Lutheran School!

Connected in Christ!

Mrs. Amy Voss

7th and 8th Grade.

We have twelve students in the 7-8 grade classroom this year. Our group includes eight 8th graders and four 7th graders. The boys outnumber the girls in our room by a nine to three margin. I'm very excited about our group and am looking forward to a fun year of learning

and growth! I believe this group will provide excellent leadership for our student body.

The 7-8 grade classroom is looking forward to preparing our chapel and picking out a musical in the weeks ahead. In literature class, students will be boarding the *Hispaniola* as they journey through Robert Louis Stevenson's classic adventure novel, *Treasure Island*. In Social Studies, we are beginning the year by studying geography and working on our map skills. During the first week of school, the 8th grade boys assembled our new pickleball net, and then measured out/taped down the pickleball court lines in the gym. Students, and teachers 😊, are looking forward to playing pickleball, fast growing sport in America, during PE in the days ahead.
