

Dear Friends,

At Discovery on Adventure Island VBS, your children will enjoy interactive, energizing, Bible-based good times on their quest for God's great light. They will discover how God's lights of **love, trust, faith, joy and hope** shine on us, and how we all can reflect that light as we live each day.

After a high-energy Opening Assembly time, the Explorers will hear the Bible story for the day, which is the foundation for all of the other stations we will visit. Throughout the morning, they will also visit the Craft/Science Station, Recreation Station, Snack Station, and more! They will also hear about our mission project as their response to a call for action (shining our light)! We end each day with our Closing Assembly, where we review the day and enjoy the great VBS songs!

Registration can be done by mail, using one of our registration forms (enclosed), or register online at the church website www.stpetersnorthplato.org. We are looking so forward to an in-person VBS this year. We will use our outdoor facilities as much as possible, and masks will be required. However, if for some reason CDC and or/state guidelines would change regarding indoor gatherings, we will contact everyone who has registered. Join us the week of July 19, 2021 beginning at 9:00 a.m. each day. To find out more about VBS, call our church office at 847 464-5721 or visit the church website given above. Children ages 4 through 6th grade are welcome. 7th graders and up can be youth helpers (see separate registration form online for helpers only). **Hope to see you on Adventure Island!**
