## Sunday School Policy at St. Stephen Lutheran

For all parents—we welcome children (pre-k – 5<sup>th</sup> grade), pre-k children must be fully potty trained. Sunday school starts at approximately 9:45 am and runs until 10:30 am, between services. Parents who drop their children off, whether members or non-members, are required to stay for the duration of Sunday school and are encouraged to attend Bible study in the fellowship hall downstairs. Enjoy some coffee, donuts, and bagels, while we discuss God's Word together.

Registration cards, like the one above, need to be filled out only once, and will be kept on file in the Sunday school room. We would like all parents, at some time, to help teach or serve as a teachers aid at Sunday school. The curriculum is not difficult to learn, we provide supplies, and the experience would be very beneficial both to you and your family. If you have any questions, you can contact Pastor Hoffman below.

God's Blessings!

Pastor Robert Hoffman
