## Looking Through the Window Observing or participating??

**42 And they devoted themselves to the apostles' teaching and the fellowship, to the breaking of bread and the prayers. Acts 2:4:42**

A couple days ago I had a conversation with a member about our streaming church service on Sundays and other times. The discussion came up at our recent planning forum meeting as we were debating how to connect more people with God's Word in Divine Service worship and other faith building activities.

Out of necessity we started streaming our church services during the COVID pandemic in 2020. It was the only way we could continue to proclaim the good news of Jesus due to restrictions on the number of people being able to gather together at one time. The restrictions and social distancing requirements were an effort to slow down the spread of the deadly disease so that our health infrastructure could handle the vast numbers of sick people. Now we are years away from the pandemic and have no restrictions on gathering together.

Back to the conversation. I mentioned, in my opinion, our streaming service has become a double-edged sword. On the positive side we are able to reach out with God's word on a weekly basis. We reach people locally and globally. Yes, there are people who watch our church services in other countries! People in Australia, England and other countries watch our services. Our streaming is especially valued by our shut-in members as well.

On the negative side our streaming service may give able-bodied people an excuse not to participate in worship. The member I was talking with made an excellent observation. Watching our services is like looking through a window and observing what's going on. When we attend services in-person, we become active receivers and participants.

As I heard the analogy, I was taken back to my days living in England. Not far from where I lived was a very old Anglican church. The church had an "in ground" window that gave direct line of sight to the chancel area of the church. The window was known as "the lepers window". It was the ancient form of "streaming" the church service for those who could not participate due to sickness. If, or when, cured of their disease those who used the window would be allowed back into the church to participate in worship.

With the COVID pandemic behind us some are asking if we need to keep streaming our services, especially if it causes able bodied people to be apathetic about attending worship. I feel we're between the proverbial "rock and a hard place." We have to keep streaming our services for the benefit of shut-ins. We also reach out to many people in many places with God's word and it gives people an opportunity to find out what we are about at Timothy.

On the other hand, we need to encourage those who are able to attend, to attend. The above verse from Acts 2 reports how the early church conducted itself. The believers would gather together in-person (fellowship) to hear God's word concerning the crucified and risen Jesus (apostolic teaching) and participate in the breaking of bread (communion), receiving the body and blood of Christ for forgiveness of sins. We would do well to learn from the saints who have gone before us. When God blesses us with health and ability to do so we should always want to "participate" in worship, not just look through the window and "observe" God's word.

Things can always change between now and our first day of school in August, but we are so excited to be so loved by the Woodstock community! Thank you for all of your love and support and allowing us the opportunity to share God’s good news 5-days a week here. If you would like to add a child, grandchild, friend or neighbor to the waiting list, please contact me. Love truly grows here!

*Love Grows Here*

We are excited for the month of March and the blooming of all things Spring! The children will return to school after their Winter Break on Monday, February 26 with a fun week full of Dr. Seuss activities. It's a great week to be a Timothy Lion Cub and have fun with rhyming and books!

The children will be hearing more stories of Jesus' miracles and the special friends that he had here on this Earth and how we can share the good news with others just like they did. The children love learning about Jesus and always have a great time in our Chapel lessons each week. This week we learned more about the miracles that Jesus performed from feeding the 5,000, to calming the storm and even healing friends that were deaf and blind. The children learned that there are different kinds of Bibles from our grown-up Holy Bible to the Children's story Bible to Bibles written in braille for those that are blind to read. God's Good News is being spread in so many wonderful ways!

Check out our pictures where we showcase some of the love of learning we experience here each weekday, not only academically but also social-emotionally and spiritually too. The children have a blast in our building and our staff loves showing them just how special they are. What an amazing foundation we are blessed to give these children of the Woodstock community. Thank you again for welcoming our families into your church community and helping us to serve them.

**The following recently joined our congregation through transfer of membership.**

**Jonathan Ford** – Jonathan is the son of current member, Janet Ford, and lives in the Canton area with his wife, Cheryl. Their daughter and son-in-law, MJ and Jackie have their first grandchild, Mateo. Jonathan was born in Connecticut, lived in California for about 10 years, and moved to Georgia for a job. He currently works for Yamaha Boat Division. Jonathan served in the U. S. Navy for 7 years during the time of Desert Shield. He inherited his father's boat which he rebuilt and is currently rebuilding another boat – sounds like a hobby!

**Gretchen Dirr** – Gretchen recently transferred from Florida to live with her daughter. She was an active member of her previous congregation for 48 years but is currently homebound.

**The following individuals joined after completing Pastor's Class:**

**Lea and Greg Dixon**

Lea was born in New York City and Greg was born in New Rochelle, NY. They have lived in Long Island, NY, Herndon, VA, Bethel Park, PA, Naperville, IL, Trabuco Canyon, CA, Milton, GA and currently reside in Holly Springs, GA. She is an accountant while Greg is a consultant for the Automotive Category helping dealers in sales and service performance. Greg and Lea have 2 children, a married daughter, Briana Leigh Miller, who has their first grandson, and 28 year old son, Tyler James Dixon. Lea likes reading and walking while Greg enjoys golf, exercise and gardening. Lea and Greg were previously aware of the church's location and decided to give it a try and we're glad they did.

**Joseph, Brittany and Luke Hogg**

Joe was born in Atlanta and grew up in Alpharetta, GA. Brittany was born in Atlanta also and lived in Saudi Arabia for a couple of years as a child but grew up mostly in Alpharetta. They now live in Canton with their 3 year-old son, Luke. Brittany is a 7<sup>th</sup> grade teacher at Hopewell Middle School and Joe is an IT guy. Being an IT person, he likes gaming and Brittany likes horseback riding. They came to Lutheranism through the efforts of an organization called "Just and Sinner".

Brittany's favorite Bible verse is 1 Samuel 16:7. "Do not look on the appearance or on the height of his stature. For the Lord sees not as man sees: man looks on the outward appearance, but the Lord looks on the heart." Joe's favorite verse is Romans 1:16-17. "For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek. For in it the righteousness of God is revealed from faith for faith, as it is written, "The righteous shall live by faith."

**Simon, Joy, Ian, Calvin and Izzy Hurst**

Simon was born in Australia while Joy and Ian were born in northern California. Izzy and Calvin were born in Canton, GA. All 3 children attend Hickory Flat Elementary School. Simon works in sales and Joy is a Cherokee County substitute teacher. Their hobbies include kids' sports, scouting and occasionally sleeping in. Joy has been a TLC VBS volunteer for 2 years thanks to Christy Hopewell. Their favorite Bible verse is Ecclesiastes 3:1, "For everything has a season and a time for every matter under heaven".

**Peter, Marisol and Cruz Pietrowski**

Marisol was born in Santa Ana, California and moved to Acworth, Georgia in 2018. Pete was born in Dunedin, Florida and moved to Marietta prior to the 1998 Olympics with his family. After college, he lived and worked around Stuart, Florida but returned to Marietta to be closer to his family in 2015. They have one child, Cruz, who will be 2 years old on April 29. He attends daycare during the week. Marisol is a Talent Acquisition Manager at Yamaha Motors Corporation USA and Pete is an Environmental Engineer at Oasis Consulting Group. They spend their free time enjoying Cruz, cooking both old favorites and new meals, hiking at nearby trails and reading. Starting our family made us realize we missed having Jesus in our lives and prompted us to return to the Church. Since Marisol was raised Catholic and Pete was raised Lutheran, we decided to start from the backgrounds, try a congregation of each and see where we would end up connecting to. We found TLC. Also, Pete was baptized at a Timothy Lutheran Church in Clearwater, Florida.

In addition, the following were baptized into the family of Christ:

**Joseph, Brittany and Luke Hogg**

**Matteo Joseph Neuman**, son of Genay & Nick Neuman was baptized on March 3, 2024. Proud grandparents are Ron & Raye Miller.

## LCMS Stewardship Ministry – February 2024

### Caring for My Neighbor

If any of the Ten Commandments might tempt us to think that keeping the Law is easy, it would be the Fifth Commandment. After all, how hard is it to get through life without murdering somebody? The vast majority of people can handle that!

But Jesus famously blows up this notion by pointing out that the command, “you shall not murder,” goes much deeper — down to the heart.

You have heard that it was said to those of old, “You shall not murder; and whoever murders will be liable to judgment.” But I say to you that everyone who is angry with his brother will be liable to judgment; whoever insults his brother will be liable to the council; and whoever says, “You fool!” will be liable to the hell of fire. (Matt. 5:21–22)

Hatred and disdain come from the same sort of crookedness of heart as murder. With both murder and hatred, you look down on another person and think them of little worth.

In the Small Catechism, Luther also points out that every “do not” in the commandments also includes a “do this:” “We should fear and love God so that we do not hurt or harm our neighbor in his body but help and support him in every physical need” (SC, Fifth Commandment, emphasis added). We are not called merely to avoid evil; we must also do positive good.

So when Jesus drew near to us and became our neighbor by taking up our humanity, He came not only to avoid harming us, but He came to positively help us, bless us and serve us.

We are now called to show the love to our neighbors that Christ showed to us. Your neighbor is yet another gift that God has given you that requires your stewardship. We are called to show mercy, to be kind, to love and serve our neighbor. One aspect of this stewardship is financial: our neighbors need us to support the church’s work so that they can hear the Gospel and come to faith. Our neighbors need the church’s alms and mercy work. Our neighbors need our faithful service in all we do in the name of Christ.
