We have expended our Capital Improvement Funds. We are in need of replenishing the bucket. We need the funds to complete the new Network project. And in light of the continued violence against schools and businesses in the past few months especially, we also NEED to make improvements to our Safety and Security

Systems. This is a critical need. If you feel led to contribute to the upgrading and continuation of these projects, please place your contributions in one of the small manila envelopes on the Narthex Table labeled “Capital Improvements” and place it in the offering plate or give it to Larry Miller or Miriam Harkey. Thank you for all your prayers, concern and care. You are much appreciated and a vital part to the ongoing Ministry here at Trinity. Thank you so much.
