AUGUST 2019

Trinity where we CONNECT, GROW, & SERVE
with the love of Jesus Christ.

Dear Trinity Family and Friends,

Our ministry programs have continued with full force over the summer months. It is a joy to see so many engaged and willing to step forth in service and community. The children and youth have had many adventures that build their lives of faith and connection. I hope that you are experiencing the joy and wonder of summer with the important people in your lives.

In May we held three **LeaderWise Listening Sessions**, and received important perspective and feedback. Our church council, leaders and staff have been carefully and prayerfully considering your valuable input. We continue to take steps, through conversations and the healing of relationships...all of which involve deep listening on all sides.

As your pastor, and with Pastor Karri, the staff and council, we have been asking:

Where do we go from here?

What needs to be the focus of our life together?

What is the direction that prompts us, and keeps us united in Christ in mission and ministry to our community and beyond?

What seems to be clear is an invitation to return to the foundations of our life of faith.

In I Peter 2, The Message states: *From time to time, clean house. Make a clean sweep of malice and pretense, envy and hurtful talk. You've had a taste of God. Now, like infants at the breast, drink deep of God's pure kindness. Then you'll grow up mature and whole in God. Welcome to the Living Stone, the source of life. God set it in the place of honor. Present yourselves as building stones for the construction of a sanctuary vibrant with life, in which you'll serve as holy priests offering Christ-approved lives up to God.*

Our "Building Blocks of Faith" Monthly Themes:

PRAY Daily (October)

STUDY God's Word (November)

WORSHIP Weekly (December)

BUILD RELATIONSHIPS: INVITE AND ENCOURAGE (January and February)

SERVE (March and April)

GIVE (May)

Each of these themes will carry through our ministries, as people of all ages can explore them in creative and compassionate ways.

WOULD YOU JOIN US?

We are forming a **"Building Blocks" Steering Committee** of interested people to bring your fresh ideas for how we might carry these monthly themes through in the coming year. The committee will meet two to three times only, so this is a short-term commitment.

We will meet on: Thursday, August 8 and August 15 - 7:00-8:30 pm

Please contact Pastor Terry or Pastor Karri if you are interested. All are welcome!

It is a privilege to grow with you, as we **Build Our Lives in Christ** together!

Chimes Council Report:

Grace and Peace to you in the name of the Lord Jesus Christ-

I have been thinking lately how chaotic and out of control life can be. All the ways things can go the way we least desire them to. How we try to control all those things or people that are out of our control. The many ways conflict and disagreement enter into our world. This is no different in the church. This is not something new; scripture is filled with conflict. As I think about this I can't help but reflect on the story of Jesus going into the temple and overturning the tables in *Matthew 21:12-13*

Jesus at the Temple

“Jesus entered the temple courts and drove out all who were buying and selling there. He overturned the tables of the money changers and the benches of those selling doves. “It is written,” he said to them, “My house will be called a house of prayer, but you are making it ‘a den of robbers.’”

Now I don't believe that those people selling doves or those who exchanged money started out with anything but the purest of intentions. I don't believe anyone sensed that the Temple would lose its purpose as a house of prayer. Somewhere along the line things got out of control and it became chaotic. It no longer was God's house, it became a “den of thieves.” Ok, I would not say Trinity has become a den of thieves, but are there tables within our church that maybe can be turned over, so to speak? As I have said life can become chaotic and out of control. It is in these times that I want to encourage each one of us to stop, listen, and ask oneself what it is God is asking of us. I want to encourage each one of us to come out from behind the table and reach out to one another in love and kindness and LISTEN to what God is asking of us.

As a member of your church council it is my hope that the tables have been turned and there is a desire to return to being a house of prayer and start listening to one another in meaningful and respectful way that foster love and care for one another as God asks of us. I shall go one step further and boldly speak for everyone on the council when I say that is our desire.

The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace.

I end this with a word of celebration as I share - the FINAL payment has been made on the church van. Thanks to all who gave so generously the loan balance is ZERO, the van is free and clear of any outside interests. Congratulation Trinity!

Respectfully submitted by: Allen Blegen, Council Member

Thank You

Be sure to stop by and read this month's thank you cards posted on the bulletin board:

Valerie from Lakes & Pines– I would like to extend a really big "thank you" to Pauline and the other lunch volunteers for this extraordinarily valuable contribution. The Lakes respite program has really fallen into place, and that success truly rests on you volunteers working together so well. A special shout out to all the companions and cooks from Trinity! You guys are making this happen, so THANK YOU.

Parmly on the Lake– to the 7th gr. confirmation group, thank you for the 15 pillows you made for our residents!

Vi Chilstrom– I would love to thank everyone who sang me happy birthday at church on Sunday, June 30th. A special thanks to everyone who stopped to say happy birthday, and for all the wonderful cards I received. You sure made it a birthday to remember.

Family of Beuna May– we are grateful and fortunate for the support, patience, time and effort the church community gave us.

Family of Bill Holt– Thank you to the Trinity congregations for your prayers and support during Bill's illness and death. A special thank you to Pastor Nordehim, Pastor Anderson and David Johnson for their many visits, conversations, and prayers.

Diane Morris- I want to thank the Prayer Blanket Ministry Group for the lovely blanket that was delivered by Pastor Terry during my rehab stay. As I recover, I'm appreciating its softness, warmth and especially the care that went into creating it.

Let's Go Fishing– thank you for the generous donation to help us continue the mission of Let's Go Fishing.

August Finance Chimes Report:

We're over halfway through summer already. We have lost some Trinity friends and family, we are looking to hire some new staff members, and we're through the hustle and bustle of "Karl Oskar Days".

This summer has also brought a decrease in giving. From a strong financial balance in the first quarter, we are now looking at contributions less than budgeted and expenses running over budget.

The Capital Improvement Task Force has met and has a goodly number of members. Please encourage the Task Force and thank them for their time and energy spent on a project very much needed.

If you know of someone who would be a great addition to Trinity's staff as Director of Children's Education or as Trinity's organist, please encourage them to apply for the positions.

Connect, Grow and Serve with the love of Jesus Christ has encouraged connection and growth and is now developing the Building Blocks of Faith Initiative. There will be a few meetings to develop this with representatives from Trinity's committees. We would also encourage you, as a member of Trinity, to prayerfully consider being part of this. The Initiative will be looking at building faith in worship, prayer, service, study, relationships and giving while the Capital Improvement Task Force looks at the church building.

Enjoy the rest of your summer!

Diane John, Treasurer
