

2021 Scholarship for Post-Secondary Students

These scholarships are being funded by the scholarship funds at Trinity Lutheran Church. We are so thankful for the donations which have allowed us to continue to give away scholarships for high school graduates to attend post-secondary institutions next year.

To be eligible, the applicant must be a **current member of Trinity Lutheran Church**, and must be a **High School Senior** entering their first year of post-secondary schooling (senior PSEO students may still apply).

Applications can be obtained on our website. **Completed applications** are due in the TLC office **by noon on Monday, May 17.** See application for details about the application process.

Payment for those who are chosen as recipients will be awarded **after** the first term is successfully completed, and transcripts are received by the TLC office. It is the college student's responsibility to submit transcripts to the office.

The payment will be made to the institution the recipient is attending.

Selection of recipients shall be made by a committee appointed by the Endowment Committee. (Mike Leadholm, Mike Chrun, Paul Bodmer, Linda Rambow, Pastor Terry Nordheim)
