

The Promised Plan Realized

This Tuesday we see God's promises given to the Patriarchs fulfilled in the birth and life of our Savior, Jesus Christ. Come celebrate Christmas in August as we sing carols, witness His birth, and see how we fit into His story as the People of God.

See how the baptism of Jesus links us to Him through our own baptism making us one of His people. No one can ever get enough Christmas, at least when it isn't linked with all the cheesy schmaltz from the retail stores. Join us for a very Blessed Christmas – 5 months early!
