Sunday Bible Class June 3, 2018 9:00 a.m. Have you ever wondered about how everything was created in the universe and Earth? Was it by random mistakes or was it by an All-Knowing God? In today's society many Christians blend the two to fit taught data from Science. Come and learn what the word of God says and what evidence that is really out there that is not presented. John Snoozy will lead the study from his current research collected to support God's word.

Monday Night Bible Study: The Lord's Supper Starts June 11 7:00 p.m. (6 Sessions) As Lutherans interact with other Christians, they often struggle to explain their beliefs and practices. Although many Lutherans have learned the "what" of Lutheran doctrines, they do not always understand the "why." Based on God's Word as faithfully reflected in the Lutheran Confessions, this study will help you to state clearly what you believe. Please sign up in the narthex.
