From Our Pastor

Rev. Jonathan Meraz

Grace and peace to you...

Alleluia! Christ is Risen! He is Risen, indeed! Alleluia! When this newsletter comes out we will be nearing the end of the Easter season. For some people they feel like the party is over until next year. I do not believe that to be true. One of the joys of weekly worship is that we get to celebrate a little Easter each and every week gathering together with the members of our spiritual family, our Christian brothers and sisters.

In his letter to the Ephesians the apostle Paul encourages the faithful to encourage each other. This is done by **addressing one another in psalms and hymns and spiritual songs, singing and making melody to the Lord with your heart, giving thanks always and for everything to God the Father in the name of our Lord Jesus Christ, submitting to one another out of reverence for Christ.**

We have a wonderful family here at Trinity and I feel privileged and blessed that God has called me to serve here. Of course, I realize that there is the occasional difference of opinion between brothers and sisters which can bring about a conflict. Sometimes the conflict is just a difference of personality or style. But have you ever been a member of a family? My own 2 brothers and 1 sister will confirm to you that we had our share of disagreements.

Those things are normal but that does not mean I do not love them. I love them with all my heart. They are family. The more that people care about each other, the more deceptive conflicts are. They can appear to be more difficult or stronger. Again, this is because we are family and families are more open and direct with each other. Some of the 'filters' we use with strangers are removed. The truth is, I would be more concerned if I saw complete apathy here with each other.

To paraphrase a line from a 40-year old song by Sister Sledge - ***We are family. I got all my (brothers and) sisters with me. We are family. Get up everybody and sing.*** So I echo the encouragement of Paul. Let us **address one another in psalms and hymns and spiritual songs, singing and making melody to the Lord with your heart.** Let us **give thanks always and for everything to God the Father in the name of our Lord Jesus Christ.**

And let us graciously **submit to one another out of reverence for Christ.** We will have differences. But do not allow the devil, the world or your own sinful flesh to take you down a road that damages the family. Let us always default to the joy we have as brothers and sisters in Christ. I always do look forward to our worship together. May God bless our family here at Trinity and may He bring many more members into it. We have a lot of love to share.

God bless you all.

Introduction to the Divine Service

Notes on the Liturgy #19 – Communion and the Peace

Jesus instituted the Lord's Supper the night He was betrayed. The Lord's Supper is the ***blood of the covenant***. It is Jesus' promise and assurance to us that we are partakers of His grace. Each time it is offered the pastor reads the words of institution. In these words Jesus speaks to us and informs us that we are receiving His body and blood in the bread and wine for the forgiveness of our sin. Different churches have different customs how often the Lord's Supper is offered. The early church celebrated it every Sunday. Communion was the center of worship for they understood the church is bound together in one body as we all partake of the one loaf (I Corinthians 10:17).

Communion's first purpose is a meal of forgiveness. God is doing this for us. The above verse also shows us that it is a meal of unity. Thus the things that strike against unity of the church also strike against the purpose of the Lord's Supper. If we needlessly, sinfully stir up dissension in the church among Christian brothers and sisters we are actually sinning against the body and blood of Christ. Even more importantly, when someone holds to false doctrine or unites themselves with a church body that teaches error this too works against one of the purposes of the Lord's Supper. For this reason we practice close Communion.

After the words of institution, the pastor gives the Peace: *The peace of the Lord be with you always*. Some pastors may have the custom of raising the elements up into the air to clearly show that our peace with God comes through Christ's work and Christ's meal. The people of God respond with the simple confession *Amen. Yes, yes, it shall be so* – this meal does indeed bring this promised peace.

*These notes were originally written in 2001
by Pastor David Oberdieck and have been edited.*

5 Things You Can Do To Make Your Congregation A Caring Church

Paul J. Cain

We (Trinity) have recently purchased the *You Can Do It! Series* from CPH. This series of 9 books is described by CPH this way: *The You Can Do It! series encourages and equips believers to live out life as disciples of Jesus Christ, being formed and shaped by God's Word. Written in a clear and encouraging style, each of these topical books gives Christians achievable goals for strengthening their faith and relationships. Each book features a consistent presentation of a topic in five parts with each part consisting of a presentation, a summary, discussion questions, and several action steps.*

I want to say right away that as a God-fearing, believing Lutheran I have a tendency to run away from anything that looks like works righteousness. My faith is in the work of Jesus Christ alone. I am also certain that **we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do** (Ephesians 2:10).

God has prepared 'stuff' for us to do. I think if you take on this book series with the understanding that this is God's work through the Spirit then there are some valuable ideas and practices that will help you spread the Gospel of Jesus Christ to all the people in your particular environment.

The nine titles all begin with *5 Things You Can Do To...* The subjects include *Understand the Bible Better, Witness Christ, Make Your Marriage Stronger, Read the Bible Prayerfully, Have a Faithful Prayer Life, Appreciate Science and Love the Bible, Have a Stronger Family, Live a Jesus-Centered Life* and the first book that I am recommending *Make Your Congregation a Caring Church*.

We are already a caring church but that should not stop us from always trying to improve in that area. This book gives many helpful tips about caring for each other, for the community and for the visitor who walks in the door. The book is a very easy read that could be finished in a couple of hours, if you wanted to. I will encourage everyone to read it but it is especially appropriate for those who serve our Trinity family.

Over the next few newsletters I will begin to recommend others from this series but please feel free to read any of them before that.

We are looking into doing a service project in conjunction with the USO. We were given a contact name but if you are already involved with the USO your input would be much appreciated. Hopefully, it will be a fun, productive family time for a great cause.

USS John C. Stennis – CVN-74 welcome to your new homeport. After 75,486 nautical miles they are back in port with their families with a new place to call home.

The LCMS encourages congregations to reach out to military families in the following ways:

Pray for our troops.

Recognize veterans in your congregation at least once a year.

Celebrate and remember our nation's military veterans, service personnel, chaplains and families.

Fallen Heroes: Although there are no new Fallen Heroes recorded this month (April), please pray for those who mourn the death of the fallen heroes who gave their all for our nation.

Special Ministries

Patty Malone

Thank you to Bill Sontag for delivering the 100 sandwiches the volunteers made for St. Columba Ecumenical Ministries on Lafayette Blvd. A big thank you to everyone who stayed after church to make the sandwiches! It was so nice to see different faces coming out to volunteer. I also want to thank Jo-Nell and David Chadwick for picking up all the supplies for the sandwiches. Jo-Nell and David also went with the extra funds and got canned goods and some clothing items and delivered to St. Columba. As you all can see, we are making a difference right here in our own community!

By the time you read this we will have packed up the personal care kits for Lutheran World Relief that were collected over Lent. The collection box was overflowing with all the items needed to help someone in need after a natural disaster anywhere in the world. Thank you everyone for shopping and bringing in the needed items. We along with so many others made an impact in the lives of poor and struggling families around the world during challenging situations.

Team Trinity participated in the **“Walk for LIFE”** at the Virginia Zoo in Norfolk on Saturday, April 13, 2019 to benefit the Crisis Pregnancy Center of Tidewater. Thank you to James Hoeft for getting the team shirts for everyone! We had several different people tell us how nice it was to see the matching shirts. The morning looked like it was going to be a washout but after some rain the sun came out and we were able to do the walk and stay dry.

Those who wanted to stay after and look around the zoo were able to do that also. There was one woman that raised, on her own, over \$27,000 for the Crisis Pregnancy Center of Tidewater. We even heard from a few women who once they heard the heartbeat of their child decided abortion was not the answer for them. They have beautiful little babies that were also there.

So, all the above made for a busy spring and summer is looking to be busy too!

Save the date for cooking/serving at the Judeo/Christian Outreach Center in Virginia Beach. We will be cooking at 9:30 a.m. on Saturday, June 22, 2019 in the morning and serving at 3:00 p.m. on Sunday, June 23, 2019. This will be the only time we will be cooking at the JCOC this year as it was the only weekend date we were able to sign-up for.

I have found out that I will have family in town for this event, so I am asking for more help than normal. With cooking on Saturday and serving on Sunday anyone who can come out and help would be greatly appreciated. The cooking will start at 9:30 a.m. on Saturday - June 22nd and the serving will begin at 3:00 p.m. on Sunday – June 23rd. New this year we have to clean-up after serving. This shouldn't be that difficult as we use disposable containers for serving. Please sign-up on the bulletin board in the hallway that has the balloons on it if you can help either day. We need ten people for serving at the JCOC.

We will be volunteering at the **Foodbank of South-eastern Virginia on Saturday, July 13, 2019 from 9:00 a.m. to noon doing quality control.** When you go on-line to sign-up please sign-up for quality control. Remember to wear closed toe shoes! The Foodbank is located at 800 Tidewater Dr., Norfolk, VA.

Don't forget if you have books you no longer want you can take them to the Book Exchange at Wards Corner and they will give you credit for your books and you can pick-up children's books in exchange. The prices there are reasonable, and you might even find something for yourself to read. Lets fill the bookshelf for the third time!

Old batteries will NO LONGER BE COLLECTED. The last time Bill Sontag took them the collection site they said they no longer recycle the batteries. We continue to collect hotel soap/shampoos, eye glasses and postage stamps for prison bible ministry. Collection bins for these items are in the Welcome Center. Help us to reduce our carbon footprint!

Summer Camp will be packing homeless toiletry kits as one of their service projects. We are moving the items collected into a larger box for summer camp, so keep the hotel samples coming ☺

We hope you realize YOU are in our community, state and world helping those less fortunate when they need it most! Take a moment to read Matthew 25:40-45.

Blessings and Challenges

Trinity is a blessing to us, its members in the body of Christ, to our community and to the world through support of LCMS ministries. We are looking forward to Trinity's celebration in 2020 of 100 years of God's grace. It is a blessing that giving to the General Fund (budget) increased in 2018 compared to 2017. Giving to the General Fund (budget) in the first four months of 2019 was greater than the same period in 2018. So, praise God from whom all blessings flow.

The challenge is that our tightly controlled budget expenses still exceeded giving to the budget by \$5000 or approximately \$300 per week in those first four months of 2019. Our May deficit ended up to be \$10,499.60. We also know that giving trends lower during May through September compared to other months. Please pray that the Holy Spirit will encourage our membership to maintain their level of giving through the coming summer months.

One reason giving drops off during summer months is that most members give when they attend. They typically miss more frequently in the summer and do not catch up for the missed Sundays. One option to keep your giving consistent is to enroll in the Thrivent sponsored "Simply Giving" program. You select the donation, the day and the frequency of the donation and the money is withdrawn from your bank account. Forms are available on the bulletin board in the office hallway. A voided check is required. Completed forms should be given to Anne Combes, Church Secretary. Anne can also answer any questions.

100th Anniversary

Praising the Lord for 100 Years of Grace - Trinity's 100th Anniversary Celebration begins in 2020

We have truly been blessed with many families who have called Trinity their church home. If you have names and addresses of any past members who may have moved away or moved to another church family for whatever reason, please share their info with us so that we can invite them back to celebrate with us sometime in our yearlong celebration.

As of this writing we have received \$17,328.71 in donations toward the 100th Anniversary celebration. Thank you!

We are still collecting recipes and would love to see at least one recipe for our Trinity Cookbook from every family at Trinity. Please email your recipe to Lynn or drop it in the small church box in the Welcome Center.

A new Pictorial Phone Book will be printed in early 2020. If your picture isn't on our "Family Board" or you want to update your picture, please ask Lynn to take your picture any Sunday!

We have been working on our year of celebration. We will have guest proclaimers including Pastor Berteau, Pastor O'Connor, Pastor Quiram, and Pastor Froehlich. Our Anniversary Sunday will be celebrated on June 7, 2020. A celebration Worship Service, with special music to mark the occasion, will take place at 10:00 am., followed by a panoramic picture taken on the front lawn of the entire congregation. (Take a look at the picture taken at our 75th Anniversary in the Welcome Center.) Then that evening we will have a banquet at Grand Affairs in Virginia Beach. (More information coming soon!)

Watch your bulletin for more details. We will keep you updated on our progress! A special thank you to everyone on this committee for the many hours that goes into the planning of this anniversary year.

Again we "Praise the Lord for 100 years of Grace, and for our Trinity family!!!!

In His service, Bud and Lynn Hubert

Thanks to our new Director of Music, our Choir and Bell Choir have graced us with beautiful music during our services. We would like to thank Stephen Pruitt and both the Choir and Bell Choir for their contribution to the services. Anyone interested in becoming a member of either choir please see Stephen. He says there is always room for one more member.

Armed Forces Sunday will be celebrated on July 7th. There will be a special service for this day. Present and past Armed Forces Members of the congregation are encouraged to wear their uniforms for this service. There will be pictures taken after the service. Please join us.

Thank you to all the ladies and gents who are assisting in the preparation and clean up of Holy Communion. Their efforts are greatly appreciated.

Deacons

Sharyn Leiding

Deacons were present at the funerals of Howard Copeland on April 17th and Louise Brodeur on May 16th. Both of these departed souls were faithful members of Trinity Lutheran Church for many years.

Your Board of Deacons delivered Easter lilies, as well as funeral flowers, to Trinity's homebound members.

The presentation on Alzheimer's/Dementia, given June 5th, was well attended and very informative. Joan Motley of Interim Health displays passion for the subject and is a source of meaningful information. Your Board of Deacons was pleased to sponsor the event.

One hospital visit was made by deacons during May.

A deacon was present for the baptism on June 2nd of infant, Suri Pratt.

SPRING SING is scheduled for June 9th following Worship Service and a light lunch. Those who attend will visit homes of Trinity's homebound members and serenade them with familiar hymns and patriotic songs. This is a terrific mission outreach that is truly appreciated by all!

A New Member Reception is scheduled for Sunday, July 21st to recognize folks who have become members of Trinity in the past three months. This would include the mother-daughter team, Thelma Scroxton and Anne Starke. Plan to linger in the Welcome Center over a slice of cake and drink while getting better acquainted with this duo of worshipers.

Christian Growth

Judy Sykes

Summer Camp begins on June 17th! So far there are 11 children enrolled. Please pray for a successful summer!! Linda Loper and her able staff will provide fun activities for the students, keeping them safe, cool and happy through August 16th!

Obviously there are still plenty of spaces available - prices are reasonable and schedule is flexible. Children may attend one week, all summer or anything in between! Please pass it on.....

On June 2nd we held a Barbecue Fundraiser with the proceeds going towards providing shade for our playground, which is also being refurbished with new mulch. Thank you to everyone who helped make this event a success! We added \$961 to our Playground Fund.

Members of the Christian Growth Board will help get the Summer Camp facilities ready for the campers on a Saturday in June.

Some mid-week Bible Classes will break for the summer; Thursday's Ladies Bible Study will continue throughout. Please come join us just once or occasionally; if that's all you can do, that's fine!!

Sunday School offerings continue to provide disaster relief to Prince of Peace, Puerto Rico.

Our growth as Christians is a vital component of our faith; see you @Church & Bible Study!

Preteens

Patty Malone

The last Preteen night for the 2019 school year was held on May 10th. It was really the first night all year they were able to go outside to play. We had five children come out for a fun evening playing on the playground, making thumbprint bee cards for someone special in their lives, basketball, hula hooping and more. Pastor Meraz attended, played with the kids and shared a Bible lesson. The children love it when he is there!

The next Preteen fun night will be held on September 13, 2019 from 6:30 p.m. – 8:00 p.m. If you can volunteer your time once a month it would be greatly appreciated! Even if you might not be able to do every month all help is appreciated.

LWML

Jan Knickelbein

Many Thanks to everyone who contributed to our **Bake Sale** on March 18th. Thanks to your generosity we made our national commitment for Mission Projects.

Our Mother's Day Luncheon was held May 4th at the *Dockside Seafood Restaurant*. We had 17 women and Pastor Meraz attend. Cathy George brought information on Women's Heart Health and we discussed having a 'crochet and knitting' project to make red scarves in honor of this. Lessons will be given to those who don't know how to crochet or knit. For a Mite Project we also discussed making aprons. No dates have been decided yet for either of these projects.

Our **Rummage Sale** has been postponed, but please keep your donations coming, they are greatly appreciated. Watch your bulletin for the new date!

Board of Trustees

Errol Jennings

First of all, a HUGE thank you to John and Justin Malone, Judy Sykes, Gerry Harger and Bill Sontag for keeping the church yard so immaculately groomed!!! The lawn and edging take a tremendous amount of time and effort to maintain; we are very grateful for their contribution to our property's curb appeal! (please see article on page 8)

Secondly, the beds around the building need constant cleaning and trimming, now that it's the Summer season. If you have an hour or two of time after work, on the weekend, etc. that you could give towards this effort, it would be greatly appreciated. Bring your own tools or use what's in the tool shed outside. The beds on the Belvedere side of the building and the alleyway are especially needy right now!

Thirdly, we will need assistance laying a new layer of mulch on the playground before Summer Camp begins. This will occur on a Saturday in June. Plans are to paint the wooden barrier that holds the mulch in as well. If you are available for this project, please contact Errol Jennings.

Thank you for your support of our glorious property; it takes a lot of hands to keep it as beautiful as possible!!!

Yard Care – Volunteer's needed

The church yard needs to be maintained weekly during the summer and we are looking to put together a schedule like the usher or welcome center schedule. The grass is cut on Friday or Saturday each week. If raining, you can figure out what day will work better. You will need to cut the grass, edge and blow.

The church has everything you need, we just **need people!** It works well if there are at least two individuals each week. The church takes up an entire block so many hands make for light work. So, if you see yourself doing this please sign-up to help. It takes each one of us to make our church a welcoming place.

There will be sign-up sheet in the Welcome Center with the "lawnmower man" on it. Please consider this important ministry to your church.

We sometimes lose sight of the fact that cutting grass, folding bulletins, arranging flowers, dusting, providing snacks in the Welcome Center, ushering and too many more to mention here are things that need done but are a true ministry to your church.
