TRINITARIAN

OCTOBER/NOVEMBER/DECEMBER 2020

Available online @ www.trinitylutherannorfolk.org

From Our Pastor

Rev. Jonathan Meraz

Grace and peace to you...

The beat goes on... Some of you may recognize that phrase as lyrics from a Sonny and Cher song of the same name released over 50 years ago (if you don't know who they are, ask your grandparents). We're currently offering services on Sunday but they don't really look anything like the ones we had back in February. Limited access to the building, separated seating in the pews, people wearing masks, hand sanitizer at the entrance, in the hallway and in the bathrooms, no touching, no hugging - it's all very different. And yet...

God has been good to us. He has made a way for us to hear His Word and receive His gifts. The Hubert's have been very faithful in recording and posting services online. Stephen, our Director of Music, has been very faithful in making trips back and forth across the water to provide us with some beautiful music. The Malones graciously provided us with a sanitation station that has sanitizer and masks available for anyone who forgets theirs.

Anne, our Church Secretary, formats our services for both recording and live on Sunday worship. Our Church Sexton, Bill, is caring for the community garden (which our neighbors love) and keeping up with the building maintenance. Errol Jennings keeps the candles burning and helps Bill with building maintenance. Money Counters are here every week. Trustees are tending to the yard well, making it attractive for the neighborhood (thank you, Walter, John and Justin). Judy Sykes works to maintain the beautiful flowers and other flora around the church.

There are many people to thank and appreciate (I apologize for not naming everyone. I realize the danger of missing somebody). One final thank you goes out to the congregation at large. You, too, have been faithful and it shows. 50+ people are worshipping each week in person but many more of you have joined online. We're in decent shape financially even though our practice is a little different (a thank you to Dave Petri for his work). Thank you all for that. God has worked through you with His strength and it shows.

So... we may look different than we did in February but the beat goes on. God continues to distribute His gifts of forgiveness and grace. He continues to work through His children. And He builds us up even in times of affliction. I would suggest He may even be making us stronger.

You are all in my prayers. If you have any need, please don't hesitate to contact me or the church office. Until then my love and God's blessings to all of you ...

Pastor

100th Anniversary

Bud and Lynn Hubert

Praising the Lord for 100 years of Grace - Trinity's 100th Anniversary year arrived around the same time as the coronavirus causing us to postpone our Anniversary activities and celebration. We still have a lot to celebrate and we will!!!! We will not let this virus cancel our celebration.

The new sound system was installed the last week of September. This means that we will no longer be recording Trinity's Sunday worship service mid-week and emailing it out to everyone on Saturday evening. Instead the service on Sunday morning will be live streamed beginning October 11th on Facebook and YouTube. The link to the YouTube video will also be posted on Trinity's website for viewing at any time. Again, we thank Mr. Richard Robertson for his very generous gift.

Each month we have published a 100th Anniversary Newsletter. We hope you have enjoyed these newsletters and the history of Trinity shown in each issue. If you have missed an issue, copies can be found in the church office as well as posted on Trinity's website.

The Anniversary Directory has been distributed at church. Additional copies are available in the church office.

The cookbook is ready for distribution and we hope to set up to sell them as soon as it is safe to do so.

The church calendar is included in this issue of the Trinitarian. You may notice that there are no 100th Anniversary Dates listed as we have not had a chance to meet to see what we plan on rescheduling. The Covid situation has left us with so many questions as to when we can safely schedule special services as well as our banquet. We promise to keep you updated as things hopefully get back to normal.

It had been agreed to continue to collect monetary donations for the 100th Anniversary Fund through 2020. We thank you for those donations. Maybe in 2021 you would consider sending those contributions to the general fund or another fund of your choosing. Once we return to our anniversary celebration, we promise the money collected will be put to good use at Trinity.

We will not let this set back stop our celebration! God has blessed Trinity for 100 years and we pray He will continue to do so. We all need something to celebrate and we hope you will join us in praising the Lord for all He has done. There will be lots of information to share as we move forward! Watch future bulletins and Trinitarian issues for more to come!

Christian Growth

Judy Sykes

Attending worship services seems especially significant during this pandemic. The sense of normalcy it provides, as well as the opportunity to be around other human beings, the extra solemnity of wearing masks among a smaller group of parishioners, all give our “new” worship a profound sense of communication with our Lord and Savior and each other.

Of course we look forward to more normal worship, when more can attend and masks are not required, but it’s wonderful to know that nothing can come between us and our God. The online taped services are a wonderful way to worship as well and we are so blessed to have that excellent alternative. Did you know that our lawn sign now reads, “HOPE LIVES HERE”?

Trinity is so fortunate to be able to offer this ‘sanctuary’ from the topsy-turvy world we live in right now. Thanks and praise to all those making our quarantine period spiritually meaningful -- Pastor Meraz, Stephen Pruitt, Bud and Lynn Hubert, Anne Combes... Continue to pray for them and for our entire congregation as we continue in God’s grace.

Although Adult Bible Study has resumed, no Sunday School offerings are being collected. Therefore if you would like to make a donation to our ongoing support of ministry in Puerto Rico (still struggling to survive natural calamities), please drop a check in the offering plate or mail and add the memo “Sunday School Mission Project”.

Adult, as well as children’s, Advent Devotion Booklets will be available this year, as we continue to value our worship at home. Copies will be mailed to homebound and those unable to attend live services.

Council President

Bud Hubert

God’s blessing to all. We have all been doing everything we can to keep Trinity running with the restrictions of the Covid 19 Virus. The Church Council this year has been meeting virtually. Since not much could be accomplished with the restrictions of Covid 19, those current members of the Church Council in positions coming up for election have volunteered to remain in those positions. This was approved by the Church Council and will be brought to the voters for approval in November. These billets are: Vice President - Scott Thieman, 2nd Trustee - Walter Staley, Treasurer - Dave Petri, Director of Christian Growth – Judy Sykes, Director of Deacons - Sharyn Leiding, LWML President as elected by the LWML - Cathy George. I have also volunteered to remain as President for one more year. The Voters’ Assembly is scheduled for Sunday, November 8th. More details will follow as we make decisions on how to safely hold this meeting with the Covid 19 restrictions at that time. The agenda for this meeting will include Elections for 2021, Church Budget Approval for 2021, and the Financial Report on the State of the Church.

Deacons

Sharyn Leiding

Not much has changed since June 14th when the last article was written for THE TRINITARIAN. Your deacons are still faithfully attending worship services and receiving the sacrament, praying for Trinity’s ministry, maintaining contact with members and guests via telephone calls, e-mails, and cards, making brief porch visits, and delivering children’s toys and treats.

There was deacon presence at the baptism of Lorraine Othmer on July 26th.

Deacons were among the witnesses to the marriage ceremony performed by Pastor Meraz on August 9th between Jay Otero and Lisa Kern, a young US Navy couple.

Upon the death of long-time member Eugene Barker on August 11th, telephone contact was made with Shirley Barker to express condolences and offer the assistance of food and/or flowers. Shirley was most appreciative, but declined the offer as of now. “Convey my thanks to Trinity folks who prayed for Gene, and for those who sent cards.”

Deacons were asked to contact all members of their zone to ascertain whether or not there was awareness of online only worship services for Sunday, August 16th.

We may be masked and socially distanced for now, but hope to SEE YOU IN THE PEW!

Board of Special Ministries

Patty Malone

To all those who donated to our drive-up food donation drive for the Foodbank of Southeastern Virginia – THANK YOU! We were able to collect, with your help, a total of 571 pounds of food. That amount equals 475 meals for those in need right here in our community. A thank you also for those who donated money for feeding our neighbors.

We will be doing another food donation drive in November. Look for the dates in Pastor's weekly message and on Facebook. It will be another drive-up drive to allow for social distancing.

Operation Christmas Child boxes have been filled and returned. We were unable to have our 'Christmas in July' but everyone still came through.

These boxes will travel around the world to children who might otherwise not have Christmas. We thank you for helping us keep this mission work going even during the pandemic.

We had such an action-packed year planned and the pandemic put a wrench in the works. We were going to collect sleepers/pajamas for babies in September. With many still not feeling comfortable going out we will be postponing that until after the new year. Please keep in mind that we will be collecting the sleepers/pajamas for the babies so if you do venture out and see a good deal you could pick-up and save until early 2021.

Thank you for always stepping up and being the church when called upon. With your help we are making a difference locally and globally! We are being the church in the 757 – Thank you!!!

We pray that you and your family keep safe during this pandemic as things slowly start to get back to "normal"!

LWML

Cathy George

Greetings to all of our LWML'ers at Trinity! We are entering the last quarter of 2020 and we are still unsure of what will happen BUT we trust in God for we know HE is in control.

On September 12th the officers of our Trinity LWML met virtually to discuss upcoming events in 2020 and to discuss distribution of funds to our mission projects. Our first order of business was to make a change to officer positions, specifically the corresponding secretary. We discussed and voted to combine the corresponding secretary with the recording secretary positions.

We then discussed upcoming events. The first being LWML Sunday on Oct 11th. This will be limited due to social distancing. In celebration of the LWML we ask that members of the congregation make contributions to mites. (By the way, we have made a promise that when we can all be together "We will Party!")

November 22nd is the date for Holiday Happenings. Again, we will have to wait and see what this year will allow us to do. We will keep you posted.

December 13th is the date for decorating the Church for Christmas. This will happen but it will be organized differently than in the past. Look for more information as we get closer to the date.

Your LWML leadership discussed our mission projects. We will be sending funds to the following programs:

- **Union Mission**
- **Foodbank of Southeastern Virginia**
- **Hope Lutheran Food Pantry**
- **Lutheran World Relief** (International Disaster Relief)
- **LCMS Human Care** (National Disaster Relief)
- **Friends of NEPAL Hope For Freedom** (Support to fight human trafficking)
- **Virginia Beach Justice Initiative** (Support to Fight Human Trafficking in the Hampton Roads Area)
- **Mercy Chefs** (Portsmouth)

One of our members, Anne Starke, is very busy making masks and now has taken on making quilts! Anne has told me that she has a lot of fabric she would like to share with anyone willing to make a quilt for LWR. Please let Anne or myself know. If we have a lot of quilts made we can arrange delivery to the LWR Center for sending them on to those in need.

Thank you ladies for your support in this unusual year. We have a new year coming with new mission projects! The need continues and it will take all of us to make it happen. Please consider submitting your mites every month if possible.

REFORMATION DAY

"Regardless of how terrified the Christian is by the Law and how much he acknowledges his sin, he does not despair; for he believes in Christ into whom he has been baptized and through whom he has the forgiveness of sins. Now if our sin has been forgiven through Christ Himself ... we have become free by the deliverance of the Son."

KIDS IN THE DIVINE SERVICE

The Eve of the Nativity of our Lord

Tonight we begin the season of Christmas. On this night, Christians all over the world are lighting candles, singing hymns and joining together to worship the one true God who made this night so special.

What makes this night different from all other nights?

Tonight is the big night! All through the season of Advent, the Church has been preparing for the birth of Jesus. Tonight we celebrate and remember His arrival! This is the night that our God became a man, born of the Virgin Mary, to save all people from their sins. What a blessed and wonderful night!

Parents: Before or after the service, allow your children to explore the decorations of the church. Instruct them to be reverent in God's holy places. Direct their attention to all of the lights and candles that fill the sanctuary. Remind them that Jesus is the Light of the World. He overcame the darkness of sin and saves all those who believe.

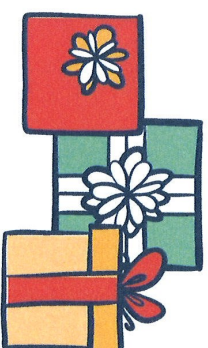

KIDS IN THE DIVINE SERVICE

What is The Festival of the Nativity of our Lord?

The Festival of the Nativity of our Lord is the traditional way of saying Christmas Day. December 25 is one of the most important festival days in the Church Year. This is the day that we celebrate the birth of our Savior Jesus!

Why do we do the things we do at Christmas?

Many of the things that we do at Christmas have their beginnings with the Romans. Early Christians soon saw some of these things as outward reminders of Christmas and began to use them in their own celebrations. For example, when we give and receive presents, we can remember the greatest gift that has ever been given, our Lord Jesus! After all, today we celebrate Jesus' birthday, and He is the real reason for the season!

Parents: What a great way to spend Christmas! Thanks be to God that you have brought your children to hear the wonderful Good News of Jesus today! When you go home, be sure to remind your children that Jesus is the best present we could ever have. He gave up His life so that we might have eternal life. What a great message to share!
