Drawing Close to God this Summer

June 17th marked my last day of teaching for the year. It was a wonderful day as I celebrated with all my students another academic year done. Some students I will see again next year, others are off to middle school and still others off to other cities and states all together.

Now that school is out, it would be easy for me to essentially take a "vacation" from everything that's on my heart (like the fact my daughter is moving off to college in August!) and everything that's bringing me anxiety (see before!) and fill my life and time with distractions.

But if I did that, I would lose the opportunity to do what God is calling me, calling all of us to do this season - which is to use this time to draw closer to Him. You see, if I don't intentionally plan time with my Father in heaven, all those things that I took a vacation from would still arise, still cause anxiety and rob me from the peace God wants me, wants us to have.

So how can we draw close to God this summer? Here's a couple suggestions:

1. **Find a time to hear His Whisper:** Remember from 1 Kings 19, when Elijah went to hear the voice of God - it wasn't in the wind or the earthquake or the fire, it was only when those things were passed and there was nothing left did Elijah hear what God had to say to him. So use this summer to "be still" and hear God's voice in your life.
2. **Don't forget the importance of Worship:** I know that some, if not most of you, will have a vacation over the next few months. Just remember - you don't have to be at Trinity to worship with Trinity! You can always join us online. And if you find yourself unable to be online - just grab a new testament and sing a couple hymns! You can worship by the fire and be part of the church invisible!
3. **Connect the Love of Jesus to Others:** I invite everyone to be on the lookout for God to provide opportunities for you to share His love, His kindness and mercy to some one you bump into maybe just once or someone that you see every single day. Maybe invite a senior to the special service we will have over the summer just for them. Or invite a child to the outreach events Trinity will be hosting this summer. Or just simply hand a bible or invite someone to church! None of this is hard and it all can be done with the strength the Holy Spirit provides!

As we spend more time with the sun, let's spend more time with the Son!

Have a wonderful Summer in Christ,
Pastor Utton

Board of Stewardship

Craig Scott

Trinity is richly blessed to have a solid Stewardship Board serving the needs of the congregation. The board is comprised of the Director: Craig Scott, Treasurer: David Petri, Bookkeeper: Lynn Hubert, and Church Secretary: Anne Combes. Their dedication, knowledge, and attention to detail have resulted in many improvements to our stewardship program and financial system. Thank you Craig, David, Lynn and Anne.

Thank you to all the members who have continued to give through Covid and in many cases increased their giving to Trinity Lutheran. Thanks to you, revenue has exceeded expenses in recent months. Please be aware that not having the expenses of a full-time pastor has also resulted in lower expenses. Pray that the Lord will bless us with a full-time pastor soon

Board of Deacons

Sharyn Leiding

Your deacons met on April 26th and June 7th. They are scheduled to meet monthly during July, August and September. A devotional is always read prior to the meeting's start, usually a reflection of the sermon topic.

A group of 19 Trinitarians gathered in Belvedere Hall for lunch following the Worship Service on June 12th. We visited Bettie Terrell, Erika Straddeck and Helen Everett for the deacon-sponsored "Spring Sing". What a powerful ministry to our homebound!! We visited, sang familiar hymns and patriotic songs, often with participation from the recipients. Bud Hubert played his harmonica to add to the festive event. At Erika's "home" (Lake Taylor Hospital) we gathered outside in a shaded gazebo and sang.

If you have never joined us for this outreach ministry, keep it in mind for our December 18th "Caroling to the Homebound". You'll be glad you did.

Communion visits are being made to the homebound by Bud Hubert, Ken Leiding and Roger Medlin. Telephone contact continues with folks who are hesitant to have actual visits due to health concerns.

Mustard Seed devotions were either mailed or handed to 17 Trinity members/guests. The book-mark sized devotions were provided by LWML to remind the recipients that they are in our thoughts and prayers.

It is with joy that we anticipate Pastor Utton's service as our spiritual leader during the summer months. His enthusiasm for God's word as it applies to our daily lives is most welcome and we feel blessed to have him in our midst.

If you have any concerns or questions that should be directed to the Board of Deacons, feel free to contact us.

Board of Worship

Janice Gwin

The board met with all three of our Vacancy Pastors on May 22nd. Armed Forces Sunday will be celebrated at Trinity on July 3rd. A Patriotic Sing Along will be held immediately following our Worship Service. Military veterans and those currently serving will be asked to wear their uniforms.

New Member Classes were held each Sunday in June. We had a wonderful attendance. A special thank you to our Vacancy Pastors for their presentations.

Discussion was held concerning when we will be offering Adult Bible Class again. The pastors suggested we look towards the fall.

It was decided to postpone the offering of the Common Cup during communion due to Covid concerns.

Pastor Utton will become our Summer Vacancy Pastor from June 20th - August 20th while he is on Summer break from his teaching responsibilities with Montessori School in Chesapeake. Chaplain Prince will be filling in when Pastor Utton is not available. During the Summer Pastor Utton will serve as our lead preacher, handle visitation to our homebound, take lead on some outreach activities and of course time in the office. We truly feel that this is a wonderful opportunity for Trinity. Right now, we have pastoral coverage through August. The fall schedule will be completed towards the end of summer. We eagerly wait for our list of pastoral candidates from District so the Call Committee can begin the interview process. Our special thanks to Pastor Froehlich for his time with us and his time coordinating our Vacancy Pastor team. He will certainly be missed, we pray he has a blessed summer and hope to see him again in the Fall.

Thank You

Thank you to ALL for the cards, gifts and words of encouragement for my 20th Anniversary Celebration. A special Thank You to Lynn Hubert for the beautiful reception. It has truly been a blessing to be here at Trinity and I look forward to the next few years until retirement!

Love, Anne

On Sunday, July 10th we will have a special In-reach for our mission workers in Puerto Rico, Rev. Gustavo and Ruth Maita. We will have information about the work they are doing and a slide presentation detailing their service to others. We will also have a Bake Sale to raise funds to help support the Maita's in their mission work. Please join us in the Welcome Center and bring your appetite and wallets!

Gustavo received a bachelor's degree in theology from Concordia Lutheran Seminary in Argentina. Since 2017, he has served as a regional disaster response coordinator for LCMS Disaster Response, and since April 2018 has also served as pastor of Iglesia Luterana Principe de Paz in Mayaguez, Puerto Rico (Prince of Peace Lutheran Church in Mayaguez, PR).

In her role as a missionary teacher and outreach assistant, Ruth uses her background in education to lead educational outreach at LCMS mercy centers in Puerto Rico established by LCMS Disaster Response. She also supports her husband in his ministry as pastor of Iglesia Luterana Principe de Paz in Mayaguez, and provides musical accompaniment for the church's services.

Please pray for Rev. Gustavo and Ruth, and their children - Mikhaela and Isaiah, as they serve in Puerto Rico. Pray that God would grant them steadfastness as He guides them in their service. Ask God to give them opportunities to connect students with the church. Let us give thanks to God for Ruth and Gustavo's service to God's children in this part of the world.

Puerto Rico

If you would like to contribute directly to the Maita's work - You can also make a donation towards their ministry by check.

Mail your check, made payable to The Lutheran Church—Missouri Synod and designated with "Maita", to:

LWML

Cathy George

In July we will continue to focus on "What's your 80". We have two projects:

- Mite collection of \$80.00 every quarter. Everyone in the congregation is invited to participate. Our goal is collect to \$80.00 by the end of September, the collection box is in the Welcome Center.
- Our second project is making craft kits for Prince of Peace Lutheran church in Mayaguez, Puerto Rico. We are putting together kits to make drawer sachets. We will need 20 squares of lace 12" x 12" and 20 squares of silking solid color fabric 12" x 12". Once we have all of the materials collected, we will meet at the church to put the packs together. Come join in the fun.

For August we are hosting a **LWML Arts and Crafts Fair**. We are looking for vendors to rent space to sell their wares. The date is Saturday, August 20, 2022 from 8 am to 1 pm. Interested in selling? We have tables available! Registration forms are in the Welcome Center. We are also looking for people to navigate visitors attending the sale to find Bevedere Hall, restrooms, etc. We are also selling snacks. Flo Ball is coordinating this and I am sure your help will be appreciated. This is a fund raiser to support our Trinity LWML mission projects.

September will be our LWML meeting on Saturday, September 10, 2022 at 10 am. We will be having a brunch and devotion. There will be a review of minutes and treasurer's report. We will decide our Mission Projects for 2023. We will also be planning LWML Sunday in October, LWML Zone Fall workshop, Holiday Happenings in November...and more. All ladies are invited.

A Special Reminder for all - I will not be continuing as your President. If you enjoy the events of LWML please consider being active and join the LWML board. The available positions are:

President - Vice President - Treasurer -
Secretary - Net Worker -
Christian Growth devotion leader

Each of these positions has a current board member who are very willing to assist you in the functions of their position. We all work together so no one will have to fend alone in their position.

Please consider becoming an officer and help keep this valued group flourishing at Trinity! Soli deo Gloria!

Church Property

A very special thank you to all who helped to create our Handicapped Bathroom (for men and women) by the hallway coming in from the parking lot. This bathroom will serve as our Men's bathroom and the smaller bathroom will serve as our Ladies bathroom. There are still a few things to finish in both bathrooms, but we wanted everyone to know how much this work of love means to those who need it.

Our new awning covering the doors and handicapped ramp coming in from the parking lot should be installed soon!

We are certainly very blessed to have Bill Sontag serving as our Sexton. There is so much that he does for Trinity behind the scenes. You may have noticed the potatoes and onions in the Welcome Center from the Church Garden that are available thanks to Bill's gardening skills.

Another thing that Bill does for Trinity is to collect items for recycling. He turns these in and adds money to the "Sexton's Stash" that helps cover many expenses normally covered by the church budget.

Items recycled Include:

Aluminum
Aluminum cans
Copper
Insulated copper
Circuit boards
Steel
Air conditioner radiators
Electric motors
Sealed units (compressors)
Engines and engine parts

Items that have been purchased with funds from recycling include:

paint, nails, lumber, keys, inner tubes for mowers, shop supplies, motor oil, filters, gasoline, spark plugs, drop cloths, door latches, batteries, lubricating oil for pumps, tile grout, soil additives, wheels, tape, caulk, paint brushes, 20 volt drill, pipes for toilets/sinks/water heater, shop towels, light bulbs, cement/mortar mix, fence posts, porch lights, chemicals for AC water treatment (algae control), azalea plants for front of church, nuts and bolts, shovel handle, ant spray, light ballasts, garden hose attachments, water heater exhaust pipe, garden plants and supplies, pressure washer hose

NOTE – Most everything was purchased with appropriate coupons/discounts/sales and/or 10% Military discount, thus saving the church even more!!!

The following amounts were collected from recycling over the past several years!

2018	\$251.10
2019	\$238.40
2020	\$106.21
2021	\$985.67
2022	\$585.47
Totaling	\$2166.85

In addition to the recycling listed above, Bill helps with the Office Depot/Office Max Rewards Program.

Recycle a maximum of 10 printer ink cartridges per month for \$2.00 per cartridge for a max of \$20.00 per month in rewards/dollars.

*To qualify for each month rewards a purchase of a minimum of \$10.00 in "non-discounted" merchandise must be made – each month Bill purchases items he can use personally so that the church qualifies for the reward.

The church started collecting empty ink cartridges in January 2021.

The first purchase made with reward points was in March 2021 and was a case of bulletin size paper valued at \$72.58.

Another case of bulletin size paper was purchased with reward points in June 2021 valued at \$72.58.

Rewards points of \$40.59 were used towards the purchase of a new fax machine.

A third case of paper was purchased with reward points in November 2021 valued at \$92.44.

A fourth case of paper was purchased with reward points in January 2022 valued at \$79.83.

A fifth case of paper was purchased with reward points in April 2022 valued at \$79.83.

Total saved to date is \$437.85.

We owe Bill a huge shout of gratitude for all he does to help save Trinity through his recycling efforts. A special thank you also to everyone who contributes the items to be recycled. All metal items are collected behind the shed in the parking lot. The ink cartridges are collected in the hallway recycling bin by the parking lot doors.

God bless you, Bill! Thank you for all you do for our Trinity family!!!

Special Ministries

Patty Malone

We hope everyone is enjoying their summer!

Along with other Southeastern District LCMS churches, we are supporting the Lutheran Social Services of the National Capital Area by donating PRE-FILLED backpacks for refugee youth in Virginia. For the month of July we will be collecting backpacks and school supplies for children in grades 3 - 5. Backpacks need to be in gender neutral colors and designs. We have signed up to supply 20 backpacks with supplies, so we will need 20 each of the following items -

- Backpack
- Box of Crayons
- Box of Markers or Colored Pencils
- 10 #2 Pencils
- Pencil Sharpener
- Pencil Box or Pouch
- 3 big Glue Sticks
- 5 Folders with Pockets
- 3-Ring Binder (1-2 inch)
- Pack Wide Ruled Paper
- Pair Scissors
- 2 Erasers
- 2 Highlighters
- Pack of 3x5 index cards
- 2 Wire Bound Notebooks
- 2 Composition Notebooks
- Ruler (inches and centimeters)

All items need to be turned in by Sunday, July 31st.

Keep an eye out for when we will be making sandwiches for **St. Columba Ecumenical Ministries, Inc.** We will be doing it hopefully in July and August. We will make the sandwiches after church. **Dates to be announced.** We would also like to include with the sandwiches a few of the other items that go into the bagged lunches for the Day Center. The other items we will try to get are granola bars, beef jerky and bottled water. Many hands make for light work. We hope you will be able to stay after church to help make the sandwiches. If you have never made them before it goes fast and the conversation while making the sandwiches is fun! Hope you will join us! We hope to get a Thrivent Action Grant for this project.

Near the **end of September** you will be able to pick up a shoebox for ***Samaritan's Purse - Operation Christmas Child***. This year we will have **30 boxes** that will need to be filled. A special thank you to Cathy George for getting the shoeboxes and applying for Thrivent "seed money" to pay for the mailing of the boxes. You will have the entire month of October to fill your box and return to church. The final day for returning the boxes will be October 30th, which just happens to be Reformation Sunday! We have done *Operation Christmas Child* for several years now and it continues to be a ministry in which all seem to participate. Cathy George started this mission when she was chair of the Outreach Committee and Special Ministries carries it on.

A **BIG thank you** to everyone who donated to our food drive during the month of May. We collected a grand total of **385 pounds of food for the Foodbank of Southeastern VA**. That means we were able to provide 320 meals to those less fortunate in our very own community! We also collected \$120 in monetary donations. Those funds are put to great use by the buying power the Foodbank. For every \$10 donated the Foodbank is able to distribute up to \$60 worth of grocery products back into our community. The food drive would not be successful without our caring congregation, who are always willing to help. A special **THANK YOU** to Jo-Nell and David Chadwick for applying for the matching funds of \$250 from Thrivent. Without this seed money our totals to help those in need would have been less. Jo-Nell and David also delivered the food to the Foodbank. Thank you to everyone for your support to this vital ministry!

If you have been at church the last few weeks, "Farmer Bill" (a.k.a. Bill Sontag), has been putting out the church garden goodies. The potatoes and onions are plentiful this year. If all items are not taken on Sunday, Bill will donate them to the Foodbank of Southeastern Virginia. If you were unaware, we have a church garden. Take a walk to the other side of the building and you will see a lush garden growing. A BIG thank you to "Farmer Bill" for keeping up the garden!! The garden was originally to be a community garden that the school children would help plant and maintain. Bill has kept this going even after the school closed. Now that the trees on that side of the church have been cut down one wonders if the garden will expand? There is even a rain barrel for watering the garden painted by the former Summer Camp children.

DID YOU KNOW: Thrivent Action Teams are a great way to make a positive impact in your community. Simply gather a team of neighbors or friends for a fundraiser, educational event or service activity. Thrivent offers all the resources you need to get started, including up to \$250 in seed money. Your team provides the passion that brings your project to life. We try to utilize Thrivent Action Teams funds for our community outreach projects. If you are a Thrivent member you are eligible to apply for seed money twice a year.

Heading on vacation or that long awaited get away? Just a friendly reminder, that we are still collecting **hotel sample sized soap, shampoo, conditioners, etc....** We hope to have a packing party of all the collected items to be able to give to those less fortunate in our own community. St. Columba Ecumenical Ministries in Norfolk, VA will be the recipient of these items that we hope to present at the time of delivering the sandwiches.

DID YOU KNOW: We also collect used **toner cartridges?** Office Max/Depot Recycling Rewards will give you credit for them towards future purchases. So, next time your toner is running low and you are getting ready to pitch it, *please don't* and bring it in.

We also collect **used prescription glasses** that are donated to the Lion's Club locally. So, if you have an old prescription pair of glasses laying around bring them to church so they can get on the nose of someone who is unable to afford glasses. **DID YOU KNOW:** That there are millions of people who are unable to see due to the inability to afford glasses!

We are **always** collecting **diapers** from newborn to adults and everything in between year-round. The diapers are donated to the **Greater Hampton Roads Diaper Bank**. The need there is always great. If your package is open that is alright as long as the size is known. So, if your little one outgrew their diapers and you had half a package left, bring it to church. Just tape it closed so the diapers don't fall out of the bag/box. Again, making a difference in our community!

We are still collecting **new and gently loved books** for children of all ages for **R.E.A.C.H.** (Reading Enriches All Children). As your child grows and those baby books are no longer used, bring them in. From board books to chapter books, we collect them all year-round!

Trinity's Helping Hands Donation Station

Trinity's Helping Hands Donation Station is located inside the parking lot doors.

If anyone in the congregation knows of any worthwhile cause they think we could support, please let us know. Our team consists of Patty Malone as Team Lead, Jo-Nell and David Chadwick, Cathy George and Linda Loper. We have others help, as they are able, and we greatly appreciate their time and talents!

The special ministry team is always in search of new places to help locally, statewide, nationally and internationally. If you would like to be part of this team, please let us know.

We hope each of you realize, *YOU are making a difference* in this world in which we live, locally, regionally and internationally. You have all stepped out beyond the brick walls of Trinity changing lives a little bit at a time. For that we thank each and every one of you!

To My Trinity Family,

I am at a loss for words that can even begin to relay my degree of gratitude for all of your graciousness, kindness, prayers, and love as children of God. Dear brothers and sisters In the Risen Christ, I can only say **THANK YOU!**

I pray God's Everlasting Graciousness and Peace be upon this body of believers.
