April 2015

A MESSAGE FROM PASTOR ...

He is Risen! He is Risen indeed, Hallelujah!

Dear Brothers and Sisters of the Savior,

What a joyous time it is; celebrating the resurrection of Jesus Christ and what it means for those who believe. The Gospel of Jesus Christ is a powerful, life-giving message that is only found in Christianity. We have so much to be grateful for here at Trinity Lutheran that no list would hold all of the blessings we have received from God. This month, and in the months to come, there is much that the Lord has in store for us that is good: we have a new member class beginning; Confirmation Sunday on April 26; construction on Church St. and downtown area; missions fair on Saturday and Sunday, April 18 & 19; Men's Network, Saturday April 11 & 18; and the nominating committee will be busy putting together a slate of candidates to fill the boards for the church in May.

What this all spells out is: O-P-P-O-R-T-U-N-I-T-Y! Make the most of the opportunities that are in the month of April. In these opportunities are fellowship, learning, loving, and spiritual growth. Our Lord has plans for us as the body in Christ and it's exciting to know that His plans are the BEST, plans to prosper and bless. And the only way to experience this is by DOING, and participating in the functions and activities of the church. It is a lot like the difference between going on a vacation versus staying home and watching a vacation program on television. God wired us when He created us to be engaged in activity with others, to be teachable, and help others to learn. As we celebrate Easter in April let us each ask the Lord to give us a servant's heart and to be involved with what's offered through the church as we continue to look for the day that Christ will return.

In the Love of Christ,
Pastor Hoffman

HAVE YOU NOTICED? ...

If anyone has missed it - there is a baby crib just outside the Church Office. This is to remind everyone of the Elgin Pregnancy Center and it's mission to aid women and children in crisis.

This service is a Christian outreach in our area seeking to inform prospective mothers of the alternatives to abortion. It reminds us that there are real lives at stake and that we can help those who opt for LIFE.

We are collecting baby items to donate to the center including baby lotions, soaps, wipes, shampoo and bath items, bibs, towels and washcloths, blankets, crib pads etc. New and lightly used clothing is also desired. There is a list of items on the LWML board next to the office. The collection will continue through April and into May when there will be a general baby shower and other events. The Baby Shower committee is now forming and will meet Monday, March 30th at 10am under the balcony in the church.

The Galloping Horses Quilters have donated a quantity of their beautiful baby quilts to this project.

... Of course, we needed a baby opinion on these quilts, so above you will see pictures of the quilters with their quilts, the ladies of the LWML, and baby Norah who is enjoying all the quilts and the attention!

This month we are shining the Member Spotlight on Ceil and Eric Rieker. They have resided in Sun City for the past 8 years, and have been attending Trinity for about that many years. They are a blended family. Eric's son, Joe, who is a Iraqi War veteran, lives in Madisonville, KY. with his wife. They have a son and a stepdaughter. Ceil has a daughter in Palatine, and a Granddaughter in Chicago. Eric works as a night security supervisor and manages three buildings at a Lake Zurich campus, which houses a variety of

professional businesses. He is eagerly awaiting his retirement. Ceil retired from BMO Harris Bank 4 years ago after being in banking for over 40 years.

Their interests are many. Eric is an avid reader and is a history buff. Ceil loves a good mystery, and is a member of Trinity's Roving Readers. She enjoys gardening, cooking and baking. She is also member of Pencil and Palette Art studio in Sun City. They both like using the Fitness Center and pool. They love traveling and take interesting trips when they can.

Ceil is coordinating the new Meal Ministry project for shut-ins at Trinity. It is still in the early stages of development and should be off and running in the very near future.

Next time you see Ceil and Eric, be sure to say hello!

The great news for today's home sellers is that the current housing market is experiencing a stronger demand than we have seen in some time. This increase in demand has created bidding wars for properly priced homes across the area. This has resulted in two favorable changes for home sellers:

1. They are receiving offers closer to (if not greater than) the list price.
2. The average days it takes to sell a home has dropped by over 30% from last year.

If you are thinking about selling your home, don't miss out on the strong demand that exists.
