Summer Camp Registration is OPEN! Deposit lowered to \$10 because of COVID-19 Concerns

Hello from Trinity Lutheran Camp! Our registration is available online at: www.trinitylutherancamp.org/camps As of today we are hopeful that we will have a Camp season this summer. Instead of our usual, \$75 deposit, we have lowered that to a \$10 non-refundable registration fee when you register your camper. In the event that your camp is cancelled due to the COVID 19, we will mail you an awesome 2020 camp t-shirt. No payments for any of the camps are due until June 1st and July 1st. We LOVE camp and are praying daily for all of our campers. The summer staff has been meeting weekly on Zoom meetings and is also praying for each and everyone of you. We will keep you updated on our Facebook, Instagram and the Trinity Lutheran Camp website for any changes.

Also, be sure to check out these special events & retreats for women, families, songwriters, & more!
