Montana District Red Lodge Family Camp

Once again, worldly circumstances have interfered with camp plans. This summer, we are only offering family camp at the Red Lodge Lion's camp. This will be held the weekend of June 19-21. We will schedule shower and meal times to facilitate for social distancing. We are trying to make the best of difficult circumstances in order to provide an opportunity to gather as God's people in an outdoor setting. Please join us by completing an application that is available in your church office.
