Dear Parents/Guardians of preschool and K-8 students,

The Michigan Department of Agriculture and the Healthy Schools Act of 2000 require that parents/guardians of students receive this annual “Advisory to Parents”.

As part of Trinity Lutheran School’s pest management program, pesticides are occasionally applied. You have the right to be informed of any pesticide application, and its ingredients, made to the school grounds or buildings. If you need prior notification, please complete the information below and submit it to the school office.

In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following such application.

If you have any questions regarding this matter, please contact the school office.
