Sunday Worship:
8:30 Traditional Service
10:15 Contemporary Service

**Communion served on 1st
and 3rd Sundays June 4, 18
and July 2, 16**

**Tune in to KOTA radio 1380
AM or FM 100.7 on your dial
to listen to the 8:30 am
worship service.**

Dear Fellow Ministers,

Trinity is a part of the South Dakota Synod. There are almost 200 congregations with approximately 280 Ministers of Word and Sacrament (Pastors) and 21 Ministers of Word and Service (Deacons). Our bishop, Constanze Hagmaier was elected at the synod assembly in 2019 and is serving a six year term. There are two associates in the synod office. Pastor Jonathan Steiner's office is here in Rapid City giving us a west river representative. He helps congregations with outreach and stewardship. Pastor Steiner has preached here at Trinity recently and joined us at a council meeting to talk about outreach. Pastor Renee Splichal Larson is in the office in Sioux Falls. She was our preacher the 2nd Sunday of Easter by way of a recorded sermon. Her responsibilities are to help congregations find pastors as well as help pastors and deacons find their next call. She also works with those who are interested in becoming pastors.

The synod supports many ministries including the Pine Ridge Reconciliation Center, Lutherans Outdoors Bible Camps, Lutheran Social Services, Church on the Street in Sioux Falls, Woyaton Lutheran Church, Pueblo de Dios, Lutheran Campus Ministries at the schools of South Dakota, and works to raise up new mission starts. The possibility for such a start is being explored for the Box Elder area. Our support, support from other congregations make it possible for the South Dakota Synod to do this important ministry.

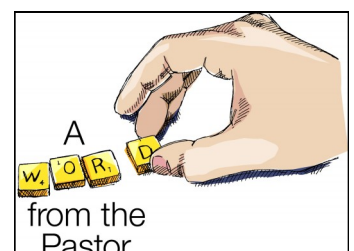

Each year at the synod assembly a mission plan is presented. The assembly meets in June and the mission plan, budget, is passed for the following year. Recently the leaders of the South Dakota Synod, pastors, deacons, council presidents, received a letter from the South Dakota Synod which was sent out by the synod council. Part of the letter spoke of the things which I mentioned above which we do together as synod. Also, over \$600,000 has been given in scholarship or internship assistance to help train rostered leaders, pastors and deacons. Other grants for disaster relief and hunger have also been given. In 2022 the South Dakota Synod Executive Committee authorized \$25,000 to be released for congregational emergency relief in their communities. Micro-grants were available for up to \$500 for congregations to apply for assistance for immediate needs in their communities. Members of St. James in Belle Fourche received some of those dollars to recover from the hail storm which devastated their community.

The main point of the letter was about an anticipated shortfall. Based on current projections of expenses and what has been pledged by congregations there is an expected shortfall this year. Again, note that the budget is passed based on what income has been previously, and what is expected congregations will be able to give in the upcoming year. For some congregations there might be large changes in those 6 months between synod assembly and the next fiscal year.

I am fully confident as a member of synod council, which functions for the synod as a church council functions for a congregation, that the synod carefully manages the resources we entrust to them. The synod has cut expenses where possible, but still this shortfall is anticipated. Each congregation has been asked to make a donation of \$1.00 per confirmed member. At our most recent council meeting a member of the council said that any gifts coming to the congregation for this purpose would be matched by a gift, up to the number of confirmed members here at Trinity. If you would like to contribute to this one time ask of our synod talk to the church office or note "synod request" on your check. Thank you for your generosity.

If you have questions about our synod I would be happy to have that conversation.

Blessings,
Pastor Wilbur

Group Meetings and Other Important Information

KOTA Broadcast Each Sunday 8:30 a.m.

Our Sunday morning broadcasts began in 1938 and have continued ever since! Memorials and gifts sustain this ongoing and appreciated ministry. We have a large Sunday morning congregation. Tune into KOTA radio 1380 AM or FM 100.7 on your dial! Or stream the service on your computer or phone at tunein.com or kotaradio.com

Church Council will meet Tuesday June 13 and July 11, at 6:30 p.m. in the Lounge.

Missions meeting will be June 7 at 4:15 p.m.

TLC Women's Bible Study will meet Thursday June 8, 15 and July 13, 20 at 9:00 a.m. in the Library/Lounge. Alice Bentley leads this Bible Study.

"Wednesday Fellowship Luncheon" meets at 12:00 noon in the library/lounge. This will be a brown bag lunch. Pastor Wilbur will lead a short Bible Study on the coming Sunday's texts.

Semi-Annual Meeting June 25

Please plan on attending the June 25 semi-annual meeting of the congregation. We begin with a potluck in the Fellowship Hall at 11:30 a.m., followed by the meeting at 12:00 noon.

Tuesday Luncheon Group Taking Summer Break

The Tuesday Luncheon group met on May 9 and are now on summer break until October. The group looks forward to next fall when we'll feature interesting guest speakers, excellent food, and wonderful fellowship!

At the May luncheon, the group agreed to provide \$125.00 checks to each of the following: Cornerstone Rescue Mission, Love INC, Rockside Ranch, and to help fund a church roof in Cameroon. These gifts are made possible by a \$5.00 charge for the lunch for those who do not provide food for the meal.

Things happening in missions

- The First Friday of every month Dirk Courchaine cooks and serves a meal at Cornerstone Mission— June 2, July 7
Volunteers Welcome!
- Mission committee meets the first Thursday of each month at 4:15 p.m. If you would like to be involved with the mission committee please contact Michelle Mechaley.

- Lakota Family BBQ in Rosebud is July 29

We will be leaving the parking lot at 6:00 am most likely in our own vehicles. That will put us in Rosebud about 10:00 am EST. We will set up at a park in Rosebud, gather our friends and have a day of fun and food. Everyone is welcome to join us. Please contact the office or Russ or Dalaina Salamun for more information.

Changes Come to Love, INC's Clothe-A-Kid Program

Love, INC has brought changes to their CAK program this year. It is no longer a back-to-school once a year event. Instead of sign up dates in June, people can earn credit to go toward shopping for their kids anytime they complete requirements in the many offered Lfve INC classes. The dollar amount will increase because they are investing a lot of their time. Classes happen all year, so shopping can happen more often. Shopping is the relation building emphasis for the local churches. Money donations and shoppers are still needed. Trinity will again have a sign up this summer to gather funds for this worthwhile program. Keep watch in your bulletins for details.

News and Announcements

Shopping Cart Sunday is June 5, July 3

Trinity is in need of soup (not tomato, please!), pork and beans, Vienna sausages, Cup of Noodles, spaghetti's, or other canned pastas. Pop-top lids are preferable, but not mandatory.

We also need snack items (crackers, granola bars, cookies, fruit or pudding cups, chips, etc.) for our shelves. Thank you for all you do.

Trinity Lutheran Church received a donation of a car from Norman and Eunale Mckie and after many years of service it has been donated to Journey On and the S.T.E.P.S Team. Journey On is a street outreach team that provides assistants to the RCPD with our homeless population. The S.T.E.P.S Team is an outreach team that works with teens and young adults ages 16-24. S.T.E.P.S stands for Support Team Encouraging Perseverance and Strength.

Good Neighbors

Maybe you have noticed. There is a lot of building going on in and around Rapid City these days. And it is getting closer to home. Just a few blocks down St Joe and right across 5th Street from us new residential buildings are going up. That means new neighbors for us!

Jesus calls us to love our neighbors and the staff and church council have begun talking and dreaming about what that might look like for our congregation.

At a recent Tuesday Luncheon we had the project manager and the properties manager for the Block 5 project across the street as our speakers. We asked the question: "Is there a way we could deliver welcome wagon style gift baskets when residents move in?" and they were very excited. We also have opportunity to make homemade goodie deliveries for the workers as the project progresses – any idea to be a blessing.

Would you give time to be part of a small group that dreams and plans for ways to involve our congregation in reaching out to our new neighbors? Call the office for Penny or Dalaina and let's together reach out in Jesus' name.

Givelify scan to give.

Venmo scan to give.

During the month of May, we were blessed with 63 hygiene bags from the students of Paul Mitchell The School Rapid City Be Nice (pictured below) to hand out to our less fortunate neighbors. These bags contain sanitary napkins, tampons, toothbrush and toothpaste, band aids of various sizes, and small bottles of shampoo.

I had the opportunity to ask the staff member in charge of this club, Mary Hunsaker, why they decided to choose this specific cause as a fundraiser and she told me, "it was a fundraiser I had previously heard about and I knew my daughter had an excess of Ipsy bags. I mentioned it to the students, who were all in, and immediately started collecting donations". They ended up gathering supplies for and putting together 500 bags which they distributed to different organizations around town such as, Working Against Violence, Inc. (WAVI) and Trinity Lutheran Church's Good Samaritan program.

Paul Mitchell The School Rapid City prides itself on educating future salon professionals in the fields of cosmetology, nail technology, and massage therapy all while implementing their "Be nice or else" culture. The school loves to give back to its community through its Fundraising which organizes and puts on different events throughout the year, its biggest being the annual food drive and cut-a-thon.

Church Council Minute Highlights

Income for April was \$26,924.47 and expenses totaled \$34,478.85

Pastor updated Council on KOTA's move and how it affects our radio broadcast. A few options are being looked into as the current system will not work long term. Currently the old line with Century Link is still working.

When Pastor Sonja of Graceful Parish returned to Switzerland Pastor Holz was able to purchase their vehicle. With this personal purchase, the church Mirano is no longer needed; the Finance Committee has approved donating that vehicle to Journey On.

The Landscape Committee gave an update. Flowers for the project have been purchased through Jolly Lane with the use of Steve Denison Memorial monies. D&L Lawn Sprinklers will soon begin working on the project.

Semi-Annual Meeting will be held Sunday, June 25th; potluck will begin at 11:30 with the meeting to immediately follow.

Synod Assembly will be held in Sioux Falls June 2nd & 3rd; as rostered leaders Pastor & Penny will be attending.

The synod has a significant shortfall this year in Mission Support and they are asking each congregation to increase their donation by \$1 per confirmed member. Council member Shane Moore stated his company, Roughlock Auto in Spearfish would pledge to pay \$330 on behalf of Trinity with a challenge to the rest of the Trinity congregation to also donate matching funds.

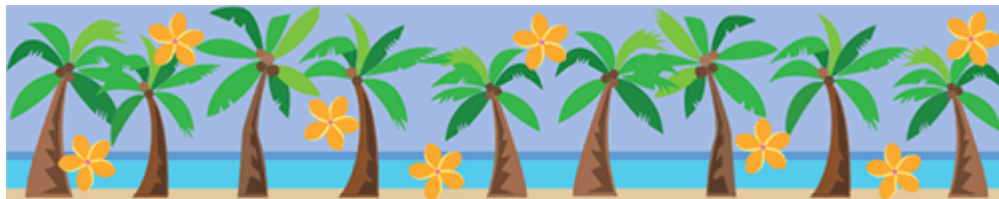

The question was again raised as to how to improve our communication with the congregation. Is the newsletter meeting those needs and/or do modifications need to be made. Council members were encouraged to ask those questions of members they come in contact with to see what, if any, suggestions they make.

JUNE “MOON OF THE RED BERRY” “WIPAZUKA WASTE”

Greeting and a blessed time of hope and new life to you at Trinity Lutheran. As we celebrate during this Easter season we are reminded of our wonderful and merciful God who gave us His only Son in order for us to live with love and peace and hope in challenges of the world we live in. Our beautiful Mother Earth reminds us to look up to the God of our universe and pause with thanksgiving and praise. Thank you to all of you who are helping wherever you are to make this a better world. Jesus words to his disciples “Peace be still,” “Do not be afraid,” are still with us.

The winter season on the Rosebud has been long and severe these past few months. The hardships brought on by the blizzards that brought deep snow and power outages have been devastating for some. We lost our dear Shirley Iron Shell in December who left behind her husband Cameron and young daughter Camil. Our sympathy to all who have lost so much.

We have been blessed to have funding from you and others to share food, clothing, and warm blankets with the people. The Two Strike Youth Center has improve its facilities and outreach with a new community chairperson, Donna Hollow Horn Bear. She was one of the Two Strike kids many years ago when we first came to that community. What a joy when I got to connect with her and see her sincerity in sharing the gifts to the community. Our Mission team members, Russ and Dalaina Salamon who drive the ambulance on scheduled weekends, make this a reality. Some of the gifting's go to the Rosebud Elementary school where I have been able to work with their Principal in their program for helping those students who need assistance.

We have enjoyed Family Camp in the Black Hills for the past several years. But because of changing circumstances with attendance and funding the Mission Team at Trinity who have managed this great experience have decided to try a new approach. They are planning a Day Camp this summer on Saturday July 29 at Ghost Hawk Park with games, fishing, etc. and a barbecue with families from Two Strike. The Community Chair person Donna Hollow Horn Bear has offered to help facilitate this experience. It is hoped we can build up our family involvement once again as we share the love of Jesus with these longtime friends.

PSALM 33:20-22 WE WAIT IN HOPE FOR THE LORD; HE IS OUR HELP AND OUR SHIELD. IN HIM OUR HEARTS REJOICE, FOR WE TRUST IN HIS HOLY NAME. MAY YOUR UNFAILING LOVE REST UPON US, O LORD, EVEN AS WE PUT OUR HOPE IN YOU.

All the prayers that have been said in our homes and at our places of worship are before God's throne of Grace. He has sent his angels to fight against the evils that seek to destroy us. We live in the victory of Jesus. It has happened. “HE IS RISEN. HE IS RISEN INDEED.”

Dorothy Peterson
Lay Minister to Rosebud

Burn blackens Trinity Eco Prayer Park ... again

Flames raced through Trinity Eco Prayer Park for the third time since 2016 when the Park opened. Rapid City Fire Department Lieutenant Eric O'Connor and the Wildfire Mitigation team conducted the burn in late April.

The burn in the park is a precision operation in tight quarters that replicates battling fires in the Wildland Urban Interface (WUI), the zone where housing and other structures meet or intermingle with undeveloped forests and grasslands. Properties bordering these wild spaces present a challenge for fire protection due to the abundance of nearby flammable vegetation.

"Nearly 75 percent of Rapid City is considered to be Wildland Urban Interface," said Lieutenant O'Connor. In addition to being a valuable training opportunity for firefighters, a downtown "wildfire" serves as a reminder that property owners living in the WUI should create a burn-free area around their homes.

In nature fire helps create healthy soil by restoring nutrients and decreasing dead plant matter, which accumulates from year to year. Trinity Eco Prayer Park consists of native plants from five different western South Dakota biomes planted in naturalistic settings. For those reasons it is part of the park management plan to include fire every 2 – 3 years as way to naturally care for the park.

Next time you're at Trinity, take a walk through the Park and see how quickly the vegetation comes back after a fire. It's hard to believe that the Park was almost entirely black (see pics) at the end of April.

See the Park Facebook page (facebook.com/trinityecoprayerpark) for a KOTA news story about burning the Park and some blazing video footage.

Rapid City Fire Department Wildfire Mitigation Team set fire to the prairie cordgrass along the Park's wetland channel.

A couple passersby and their dog pause in the Park to take in the fiery display.

The fire leaves behind a thick blanket of sooty ash and stubble.

Ducks make annual spring return to Park

Even before Trinity Eco Prayer Park was built a pair of mallard ducks arrived every spring to paddle around in water that collected in the vacant lot. This year the pair returned a few days before the fire was scheduled to take place in the Park.

When the firefighters arrived to begin the burn operation, they noticed the male and female ducks on the Park pond. They searched the tall grasses surrounding the pond to make sure there was not a nest with eggs hidden along the shore. Eventually the ducks flew off when the fire and smoke crept nearer to the pond.

“One of the amazing things about burning the Park is how quickly the plant life comes back,” said Park Director Ken Steinken. “In less than a week, blades of green grass begin to poke through the thick blanket of sooty ash.”

But this year the ducks made an even faster return. After the flames were all out, while the fire crew circulated through the Park to tend smoldering hot spots, the male mallard swooped in for a landing on the pond apparently undeterred by the dense stand of prairie cordgrass that had been reduced to charred stubble around the pond.

The male mallard returns after the fire while the park is still smoldering to paddle in the pond.

Firefighters use hand tools and spray from the brush truck fire hose to keep the blaze under control.

Park Briefs

- Although Youthworks groups will not be staying at Trinity this summer, a team of 6-10 teen and adult volunteers will be doing Park chores on Wednesday morning in June and July.

- Later this summer a few interpretive signs will be installed in the Park to help visitors learn about the Park's role as a rain garden, native prairie restoration site and urban wildlife habitat.

Trinity's Mission Statement

We are disciples of Jesus with open doors, open hands, and open hearts committed to making disciples through the power of the Holy Spirit to the glory of God.
