ANNOUNCEMENTS

2019 LCMS National Offering is a special collection of monetary gifts that coincides with the 67th Regular Convention of The Lutheran Church-Missouri Synod which will be held this July in Tampa. If you would like to participate, please look for more information and collection envelopes on the table outside the church office. This special collection will turn offerings into witnessing among new immigrants, reaching out and strengthening the faith of college students, empowering the missionaries of LCMS partner churches, carrying the Gospel into spiritually abandoned urban areas, planting new churches in strategic locations both here and abroad, and more!

PARDON OUR PROGRESS—RESTROOM REMODEL

From June 10th through August 16th, the upstairs restrooms will undergo a renovation that includes the addition of an ADA Compliant/Family restroom. Starting on June 10th, the Women's Restroom will be closed for renovation and installation of the new ADA Compliant restroom. The Men's Restroom upstairs will be converted to a Unisex bathroom, with a lock on the door, so we can continue to have a restroom upstairs.

Members of the congregation who are able to use stairs are encouraged to use the restroom's downstairs in the Sunday school area. The upstairs restroom should be reserved and available for members of the congregation who are unable to use stairs, or need assistance.
The Property Board will provide status updates of the remodel in the green sheet and Mid-Week Moment throughout the project.
We understand this is an inconvenience but appreciate your cooperation and patience during this effort. Please contact myself or Pastor if you have any questions regarding this project.

Thank you,
Michael Perry (LCVH Property Board Chairman)

PROJECT HOPE UPDATE

Greetings from Kenya! Adrienne Williams, Cindy Barberini, and I have been in Kenya since last Saturday night. It is rainy and cold here, but our hearts are warmed by the children we have seen in Kijabe Hospital. We have delivered five suitcases packed with toys, books, posters, and other items purchased with the mission offering given by LCVH's VBS children. Adrienne and Cindy have been doing an excellent job is providing a children's ministry to about 15 preschoolers. We have toured the hospital and have seen some heart-wrenching sites. Yet we have also seen a wonderful ministry of compassionate care for these little ones by Arianna Shirk and others.

It is a great joy and honor for us to be here to visit with the Shirk family, see their beautiful witness to the faith, and even be able to participate in it. We look forward to four more days of ministry. We also look forward to seeing you again this Sunday.

Clifford Hellmers, Pastor Emeritus
Coordinator for Project HOPE
