SOCIAL MINISTRY

AUGUST FOCUS: LCVH PRESCHOOL & MDO

In August Social Ministry is focusing on helping our MDO director, Brooke Heisler, promote wellness in our program. One way to accomplish this is to have sets of classroom materials for each child vs. having everyone share a class set. The second way to help with classroom safety is to provide plenty of cleaning supplies for staff. To this end, Social Ministry is asking for donations of the following for MDO: Individual bags of Kinetic Sand in various colors (Target, Amazon, and Michael's) and Playdough for the individual class sets; and Clorox Wipes, Lysol cleaning spray, paper towels, tissues and Nitrile gloves (M and L sizes found at Harbor Freight stores) for sanitizing classrooms. Cleaning supplies are difficult to get in bulk at this time so whatever we can individually provide will be much appreciated. These are some small ways we can support our wonderful MDO Program at LCVH while Brooke and the staff concentrate on providing a purposeful learning experience for our little ones while keeping them all safe.

Social Ministry thanks one and all for all you continue contributing to our projects during this challenging time in all our lives. If anyone has an idea for how we can further help our community or individuals within our community, please contact one of us on the Social Ministry Board: Kate Cahill, Myra Grund or Amy Schroeder. God continues to guide our hands in helping those around us.

SUBSTITUTE TEACHERS NEEDED

Brooke Heisler, our PreSchool and MDO Director, is looking for people willing to be added to the substitute teacher list for the coming school year. If you are interested, please contact Brooke at 205-791-5200. She will be able to answer any questions and add your name to the list!

A NOTE FROM FELLOWSHIP

During this time of safer at home due to COVID-19, Fellowship would like to invite our church family to participate in a "VIRTUAL POTLUCK." We are asking everyone to collect your favorite recipes and either email a copy to ginag1302@aol.com or put a hard copy into the Miesner mailbox at church no later than TODAY, Sunday, August 9th. We are looking for any kind of recipe: appetizer, side dish, dessert, soup, salad, main dish, bread, etc. We will then take all of your yummy recipes and compile them into a printed cookbook which we will give to each family. Our goal is to have the cookbooks ready between Thanksgiving and Christmas. So everyone please dig up your favorites to share with our church family!

STAYING CONNECTED

For those who might appreciate online opportunities to grow in Christ here is a schedule for the month of August:

Sunday: Join us at 11 a.m. for our Livestream Worship. The month of August will center on the historic church teaching of the three fold work of Christ as our Prophet, Priest, and King. At the end of the month, we will start a wonderful journey through the Beatitudes.

Monday: Each week we encourage you and your family to use a hymn or song in your devotional life. Memorize it by listening to it each day of the week! Covid unfortunately restricts singing. Singing online can be a blessing. Pastor Ahlemeyer in August will share some of his favorite modern hymns or songs that you might enjoy:

Week 1: Because He Lives (Amen)

Week 2: Oceans

Week 3: He Will Hold Me Fast

Week 4: In Christ Alone

Tuesday: Pastor will post a short devotional for families (adults might enjoy as well) talking about "Christian Symbols." Kids can enjoy a little art project at home and we encourage you to display them around your home. Especially if you are picking the virtual option for the start of the new school year!

Wednesday: Bible Study series on the book "Living Life Backwards." This study walks through the book of Ecclesiastes. Each Wednesday we will highlight a few thoughts from each chapter. Highly recommend buying this book online!

Thursday: Online discussion about the booklet "Everyone His Witness" or E1HW. This is an online witnessing workshop with an apologetics approach. Apologetics means to give an "explanation of the faith." Based on Peter's encouragement in his epistle. Copies of the book can still be picked up in the hallway!

Friday: Go off line and remember to use your in home "Portals of Prayer" each day!

Saturday: Look back at the on line "Midweek Moment" or the "Green Sheet" and remember your fellow church family in prayer. Reach out to them and stay connected even if there is a degree of physical separation.

Pray this assists in providing a rhythm to your week in Christ!

Follow along on the LCVH You Tube page and/or LCVH Facebook page. Most likely posted on Facebook.

We will do our best to follow this schedule. Thank you for your patience if we have some technology difficulties or scheduling issues as we move forward.

Lord's blessings,

+Pastor Ahlemeyer

MARK YOUR CALENDARS!

After several meetings and input from many people, **September 13th** has been set as the projected start date for Sunday School classes this year! There will not be a traditional "KickOff" event as in years past, but we are hoping to be able to host a family picnic on the church grounds later in the Fall. Ruth will be sharing information regarding safety procedures in the coming weeks. A decision has not yet been made whether or not the Little Lambs Sunday School class will meet, and of course all plans are subject to change as we respond to safety guidelines set forth by our public officials. We look forward to gathering to share God's love with the children in our congregation!

BASICS OF FAITH CLASS

This class is for those wanting to learn more about Christianity, Lutheranism, distinctive teachings in the Lutheran Church-Missouri Synod, those desiring a refresher course concerning the fundamental doctrines of the Christian faith, or individuals looking for a forum to ask questions about the church desiring membership at the Lutheran Church of Vestavia Hills. We will *tentatively* plan to meet on Wednesday evenings from 6:00-7:00 p.m. at LCVH on September 9-October 28. We will follow all health safety protocols. If needed, due to safety concerns, we will meet online. If you are interested in signing up or know someone who might be interested, please contact Pastor Ahlemeyer at 205-201-8866 or email: pastor@vestavialutheran.org

CONFIRMATION UPDATE

Confirmation for the class of 2020 was postponed due to Coronavirus. Pastor Ahlemeyer will be meeting with the Confirmands (8th graders from last year who are now rising 9th graders) in the fellowship hall starting on Sunday, September 13 until October 18. We will meet from 9:30-10:30 a.m. each Sunday. Reformation Sunday, October 25, is our newly scheduled Confirmation Sunday. Service time TBA. Tentatively, it will be the late service option. We will be following all safety guidelines and we will plan on providing a Zoom option as well, if desired.

JOINING LCVH AS A NEW MEMBER

We will welcome our new members on Sunday, November 8! If you are interested in joining please reach out to Pastor Ahlemeyer: pastor@vestavialutheran.org so that we can warmly receive into your church family!

GIFTS FOR KENYA

During July the Board of Social Ministry invited the LCVH family to offer financial gifts to provide additional support for the Shirk family, our Adopted Medical Missionaries in Kijabe Hospital in Kenya. We are delighted to report that because of your generosity we will soon be able to send \$4,265.00 to Arianna, David, Madeline, and Annabelle for them to use for their personal needs while serving the Lord in this faraway land.

Also during July Project HOPE invited you to provide Christian books for children and adults in the Neonatal Intensive Care Unit in Kijabe Hospital. On Sunday, August 2, approximately 70 books donated by the LCVH family were blessed during worship and will soon be sent to Kenya for children and parents to read as they spend days and weeks in NICU.

A huge THANK YOU is offered to all of you for your love and care for the Shirk family and for your willingness to support their ministry for Christ and his people. May God be praised!
