From a writer and producer of the Emmy-winning Fox TV show "Empire."

### Hosanna's 7.0 Fitness Classes

This is a gentle fitness program for all interested adults. An important benefit is group fellowship and support. The program focuses on personal independence and helps improve strength, flexibility, balance, range of motion, and stamina. People with special needs, chronic illness, and limited strength or mobility, as well as those recovering from surgery, can benefit. **Note: The second term of eight classes will begin on Thursday, September 27; and then October 1, 4, 8, 11, 15, (no classes on October 18 and 22), 25, and 29.** Classes will be held on Mondays and Thursdays from 1:00 – 2:00 p.m. in the Fellowship Hall.

\$40/person; \$60/2 in same household; half price for half time – each term. Clothing: Casual, loose-fitting; wear sneakers, if desired. Socks are recommended.

Bring: 3 bottles of water: 1 to drink; 2 for "weights" – OR 1# or 2# weights for the women and 2# or 3# weights for the men.

If you would like to "check it out" to see if this is for you, come on a Monday or a Thursday and exercise with us (free).

Questions: Call Earl and Dottie Kemper at 832-229-4385.

**Matthew 12:33 says that a tree is known by its fruit. You must have a healthy tree to bear good fruit. An unhealthy tree bears poor fruit. This program strives to help people bear good fruit.**

A variety of ages would help us select the best tool. Go to the Hosanna website Home page & select: <https://welcometohosanna.360unite.com/website-development>.
