

Pacific Grove, CA  
July 1-8, 2017

## Registration Form

The Blue Theology Mission Station is a place to develop a theology that understands that Ocean Stewardship is a spiritual concern. We understand this to mean that the science of Marine Biology can inform our faith and help us find ways to live out our commitment to God's great creation of the ocean.

Join us on a road trip to Pacific Grove, CA, and learn about Ocean Stewardship, help clean up beaches, go whale watching, hiking, and learn the many ways God is working in and among marine biology.

### Estimated Costs:

Blue Theology cost: \$295/person  
Transportation: \$600 + gas (group)

Whale Watching\* (3 hrs): \$26/person  
Food: \$120/person for the week

**\*If you get motion sick, there will be other activities to do during this time.**

**QUESTIONS:** Please contact Lisa Mensinger, Director of Youth Ministry at Zion Evangelical Lutheran Church, 1070 Foothill Drive, Salt Lake City, UT.
