

## Some Announcements from Rob

I hope your in a thankful mood Zion because it's November already! Does everyone have their Thanksgiving plans ironed out? How's that Christmas shopping going? There really is never enough time to get it all done unless you start in January huh, c'est la vie (such is life) or as the Japanese would say, shoganai (it can't be helped). Michelle are finally taking our honeymoon trip to Japan next March. It's three years late but, shoganai. You'll probably hear some Japanese from me as i try to learn some so we aren't totally lost over there. Zion has some fun stuff coming up quickly and some new things weekly and monthly for our college group. We invite anyone that wants to come to this Months BBQ on the 16th. Take some time to get to know both our college students and some that come by. There will be a sign up sheet in the fellowship for our members to bring salad, chili, or dessert.
