

February 21, 2020

Dear Business Leader,

Zion Lutheran School in Mayer, Minnesota, has been educating children in Mayer and the surrounding community since 1912. We are a small (129 students) preschool through grade 8 elementary school. On May 2, 2020, we will host our sixth annual Auction for Education.

The money raised at the auction will be used to remodel the kitchen for our school. We ask you to consider making a donation to our auction. Last year \$30,000 was successfully raised at our fifth annual Auction. This year more than 200 guests are expected and our goal is \$35,000. Any contribution is greatly appreciated. Your donation of goods, services, cash, event sponsorship, or even advertising in the auction book will make the auction a great success.

Please use the enclosed donor form or sponsorship/advertising form to let us know how you would like to participate. Zion Lutheran School is a 501(c)(3) non-profit organization (Fed Tax ID#41-0738639). Any donation that you make will be tax deductible. In addition, your generous donation will be acknowledged at our auction and viewed by many auction attendees.

Thank you for considering our organization and we appreciate your support of our school and its students. If you would like more information, please contact us at 952.657.2339 or email [jbaumann.zion@gmail.com](mailto:jbaumann.zion@gmail.com).

Sincerely,

Joshua Baumann  
School Administrator
