

Zion Lutheran School – 6th Annual Auction for Education 2021 Theme: COVID Saturday, May 1, 2021

Dear Friends of Zion Lutheran School,

It was our goal to hold an in person dinner auction this year that was very similar to the previous five auctions. That goal has been modified like many things this past year. Instead, we are planning a vastly different auction than in years past. We will still have some of the favorites that you have come to love AND we will offer some new ideas that might carry on into the future. We are grateful for your support and hope that you can participate in the fun. The funds raised at the auction will go to update the school kitchen.

How can you help and participate?
