Confirmation

July 6, 2017

Dear Parents,

The summer is only halfway over but already thoughts of the school year entering the scene. The beginning of the '17-'18 Confirmation year is coming! I am writing to inform you of and invite you to an informational and introductory meeting for our upcoming year.

You are receiving this letter because your student is either moving into their second year of classes or is entering 7th grade and is eligible to begin in Confirmation at Zion.

This meeting is for all parents and students both returning and new to or interested in Confirmation. We will meet at the church in the Auditorium at 7 p.m. on **Wednesday August 16th.**

At the meeting we will go over:

1. The schedule for the first half of the year.
2. Requirements for students and parents involved in confirmation.
3. What subjects we will cover during this year.
4. Answer questions you might have for us.

The last several years we have had the honor of having students from non-church going families join us for confirmation. They come because they are invited by you and your students. They stay because class is fun, they learn about faith and how much they are loved by God, and they come into an atmosphere where they are accepted as they are and allowed to ask questions and be themselves. Please carefully consider those who are your family's friends who you might share your faith with through a simple invitation to be a part of this ministry we call "Confirmation".

We look forward to seeing you.

Also, please call the church office if you have a student who will be attending confirmation but you are unable to attend this informational meeting.

In His service,
Adam B. Poe
Director of Youth Ministry
