

Fellowship Table
January-June 2019

Thank you for helping make the Fellowship Table a weekly ministry here at Zion. We believe it adds to the welcoming atmosphere of our Sunday morning worship time.

Since some people are cookie baker and others are not, we try to keep a supply of cookies for the Fellowship Table in the white freezer in the hallway by the kitchen. If you are willing to bring cookies (they need not be homemade), three to four dozen are usually needed for the late service. If you do not bring cookies, just get them from the freezer in time for them to thaw out. After the service take leftovers and coffee pots upstairs to clean and put away.

If you are unable to attend the Sunday for which you are listed, please call someone else on the list or Sue, 419-394-2080. Thank You!

Together in Him,

Sue Vogel
