

## Fellowship Table

November 2023 thru February 2024

Thank you for helping make the Fellowship Table a weekly ministry here at Zion. We believe it adds to the welcoming atmosphere of our Sunday morning worship time.

If you are willing to bring cookies (they need not be homemade), three to four dozen are usually needed for each of the Sunday services. Please avoid cookies with nuts and icing. After the second service take the leftovers and coffee pots upstairs to clean and put away. Place coffee grounds in a plastic bag before placing in the trash.
