### Did You Know?

*Pharaoh* is an Egyptian royal title meaning “the great house.” It originally applied to the king’s palace, but was later applied to rulers of Egypt.

Joseph was seventeen years old when sold into slavery, around twenty-eight when he interpreted the dreams of the cupbearer and baker, and thirty when freed from jail.

Joseph became the highest ranking official, master in the royal palace and also throughout Egypt. However, supreme authority remained with Pharaoh.
